Just as the acorn contains the mighty oak tree, the Self has everything it needs to fulfill its destiny. When the inner conditions are right, it naturally emerges.

~Derek Rydall

Failures give us wisdom. Your failures are just as valuable and rich with blessings. But you must be willing to contemplate them, ask what lesson they have for you, and apply it the next time around.

~Derek Rydall

We didn't come to earth to get anything. We came to awaken our full potential and infuse this dimension with divine light.

~Derek Rydall

Problems aren't out there, whatever is missing is what you are not giving, and whatever crisis you are hitting is a call for more of you to come out, for more of you to emerge.

~Derek Rydall

A vision is not something we make up, it's something we are **MADE OF**.

~Derek Rydall

You cannot make a demand on your life that exceeds your belief about it. Your belief is creating a personal law. It's not the truth, but a lie believed will act like a law until it's neutralized.

~Derek Rydall

Activating our light and our full potential requires that we embrace our shadow. Realizing our wholeness requires us to become big enough to hold our brokenness.

~Derek Rydall

An enlightened entertainer, via story, casts her line into the souls of

others, hooks their heart, and pulls their greater potential to the surface.

~Derek Rydall

We are what we eat â€” not only physically, but mentally and emotionally as well.

~Derek Rydall

You have to feel your own personal truth with a little â€˜t' - your sadness, rage, frustration for example -- in order to get to the Truth with a big â€˜T'.

~Derek Rydall

If you want more time, spend more time in the Timeless.
