The issue of "who we are" has been an ongoing one. It's part of the ongoing identity crisis of America.

~Diana L. Eck

We tend to gravitate towards our tribes; the challenge is to understand the people of other tribes.

~Diana L. Eck

I do think that the U.S. has an opportunity as a democracy to really exemplify what a religiously diverse society can be when it embraces the pluralism.

~Diana L. Eck

Pluralism isn't just diversity; it's something we create out of this diversity.

~Diana L. Eck

I guess one of the things that is an advantage of the world in which we live is that I can at least I can have multiple homes. I can have that attachment to Montana and to Cambridge and to India.

~Diana L. Eck

The idea of going on a spiritual journey is really part of the DNA of India itself.

~Diana L. Eck

We are built on a structure of the freedom of religion and the non-establishment of religion. That really is a pretty sturdy rudder for the U.S.

~Diana L. Eck

There are two great things that we need to find in life: one is love, probably the most important, and the second is work, and they compete with one another from time to time.

~Diana L. Eck

Be prepared for changes.

~Diana L. Eck

The idea that the United States government would have to figure out what to do about the headscarf is simply ludicrous. We don't get involved in that.

~Diana L. Eck

Some of my best friends are Hindu or Buddhist or Sikh, my students as well. This is the sea in which I swim.

~Diana L. Eck

People came as immigrants from all over the world, and Hindu and Muslim and Buddhist and Sikh communities became part of the landscape of the U.S.

~Diana L. Eck

India is simply dotted with pilgrimage places, and with teachers and very powerful spiritual guides.

~Diana L. Eck

What people see in the news are places where things have not going so well.

~Diana L. Eck

That is the strength of having a trusting and ongoing relationship that draws on our history and moves right on into our present, and I have that kind of marriage.

~Diana L. Eck
