Running, Justice*

If I could have gotten 51 votes in the Senate of the United States for an outright ban, picking up every one of them... 'Mr. and Mrs. America, turn 'em all in,' I would have done it.

~Dianne Feinstein

We have federal regulations and state laws that prohibit hunting ducks with more than three rounds. And yet it's legal to hunt humans with 15-round, 30-round, even 150-round magazines.

~Dianne Feinstein

Rogue internet pharmacies continue to pose a serious threat to the health and safety of Americans. Simply put, a few unethical physicians and pharmacists have become drug suppliers to a nation.

~Dianne Feinstein

Banning guns addresses a fundamental right of all Americans to feel safe.

~Dianne Feinstein

The National Guard fulfills the militia mentioned in the Second amendment. Citizens no longer need to protect the states or themselves.

~Dianne Feinstein

An inflated balloon -- impressive to look at but hollow at the core and easily punctured.

~Dianne Feinstein

If I could have banned them all...I would have!

~Dianne Feinstein

I think the greatest threat to the privacy of Americans is the drone, and the use of the drone and the very few regulations that are on it today.

~Dianne Feinstein

Ninety percent of leadership is the ability to communicate something people want.

~Dianne Feinstein

Ports are the gaping hole in America's homeland security.

~Dianne Feinstein

Women are beginning to feel that they are not fairly represented. As we say, 2% may be fine for fat in milk, but not for the United States Senate.

~Dianne Feinstein

Toughness doesn't have to come in a pinstripe suit.

~Dianne Feinstein

I am not a high-tech techie, but I have been told that is not possible.

~Dianne Feinstein

There is no more direct or honest person than Jim Clapper.

~Dianne Feinstein

Once you sacrifice your rights, it's hard to get those rights protected again.

~Dianne Feinstein

I've passed on a number of bills. I've studied the Constitution myself. I am reasonably well educated...

~Dianne Feinstein

I think that some restriction on speech is appropriate.

~Dianne Feinstein

Well, that day is gone, and it will not occur again.

~Dianne Feinstein

Survival is nothing more than recovery.

~Dianne Feinstein

Winning may not be everything, but losing has little to recommend it.

~Dianne Feinstein

Instead of starting a new nuclear arms race, now is the time to reclaim our Nation's position of leadership on nuclear nonproliferation efforts.

~Dianne Feinstein

What we're going to see is the emergence of the lone wolf rather than the planning of large numbers of people to carry out large attacks...Explosives are getting more sophisticated.

~Dianne Feinstein

Women have begun to see that if I go through that doorway, I take everybody through it.

~Dianne Feinstein

We need steel spines, not weak knees when it comes to political independence in the Department of Justice.

~Dianne Feinstein

And in an issue with this kind of concern to a committee that bears the oversight responsibility, I think you can see that we're very dismayed about it .

~Dianne Feinstein

Historically, the court has been the forum to which individuals can turn when they believed their constitutional rights were violated. This has been especially noteworthy in the arena of civil rights.

~Dianne Feinstein

So there will be a bill. We've been working on it now for a year.

~Dianne Feinstein

It (marijuana) will still be legal under federal law.

~Dianne Feinstein

It is my belief that tax credits only go to people who are making money, and they generally keep it.

~Dianne Feinstein

If the president Donald Trump thinks he can fire Deputy Attorney General Ron Rosenstein and replace him with someone who will shut down the investigation, he's in for a rude awakening.

~Dianne Feinstein

[On gay ban in the military:] Heroism, I believe, is a trait that does not know race, color, creed, sex, or sexual orientation.

~Dianne Feinstein

It appears to be a case of revenge run amok.

~Dianne Feinstein

I'm concerned about the role the court will play in protecting individual rights in this and the next century.

~Dianne Feinstein

There is a worry about a bomb being implanted in a human being and placed on an airplane. So, I think there is a lot to worry about.

~Dianne Feinstein

It's a myth that the border can't be enforced. It can be enforced.

~Dianne Feinstein

Assault weapons pose a grave threat to all Americans, but most especially to law enforcement officers on our city streets.

~Dianne Feinstein
