Once in a rare while, somebody comes along who doesn't just raise the bar, they create an entirely new standard of measurement.

~Dick Costolo

Managing by trying to be liked is the path to ruin.

~Dick Costolo

There is no script. Live your life. Soak it all in.

~Dick Costolo

When you are doing what you love to do, you become resilient.

~Dick Costolo

I was in Shanghai recently, where Twitter is blocked, and yet there were ads and billboards across town with hashtags on them.

~Dick Costolo

Twitter is a global town square.

~Dick Costolo

Don't always worry what your next line is going to be.

~Dick Costolo

Don't always worry about what your next line is supposed to be. There is no script. Live your life. Be in this moment.

~Dick Costolo

As you get ready to walk out under the bright lights of the improvisational stage of the rest of your life... be bold. Don't always worry about what your next line is going to be.

~Dick Costolo

The way you build trust with your people is by being forthright and clear with them from day one. You may think people are fooled when you tell

them what they want to hear. They are not fooled.

~Dick Costolo

What is the thing that matters most to making progress right now?

~Dick Costolo

Not only can you not plan the impact you're going to have, you often won't recognize it when you're having it.

~Dick Costolo

Believe that if you make courageous choices, and bet on yourself, then you will have an impact.

~Dick Costolo

Authenticity is absolutely the key to a great tweet.

~Dick Costolo

If there's ever an example of the importance of making bold bets and focusing on what you love, it's Twitter.

~Dick Costolo

The beauty of Twitter is that more and more people are flocking to it because it's shrinking their world.

~Dick Costolo

Twitter brings you closer. I mean, we see this over and over again from our users. It brings them closer to the action. It brings them closer to their heroes.

~Dick Costolo

Apple is our mentor, Facebook is our enemy.

~Dick Costolo

When I was your age, we didn't have the Internet in our pants. We

didn't even have the Internet not in our pants. That's how bad it was.

~Dick Costolo

That's just silly. Closing a global business in reaction to single-issue national politics is foolish.
