My philosophy is very simple. To feel young, you must work as long as you can.

~Dino De Laurentiis

The audience wants to be attracted not by the critics, but by a great story. You must deliver to the audience emotion - and when I say emotion, I mean suspense, drama, love.

~Dino De Laurentiis

I see my face in the mirror, and I said, No, my ambition is not to be an actor.

~Dino De Laurentiis

When I cook, my brain stops completely.

~Dino De Laurentiis

I realized the exciting place was behind the camera with the producer, director and so on.

~Dino De Laurentiis

After *The Silence of the Lambs* and *Hannibal*, the audience would like to know where, when, and who arrests Hannibal Lecter for the first time. This is the story of *Red Dragon*.

~Dino De Laurentiis

You have to kill the bad guy.

~Dino De Laurentiis

I always say my age is connected with three Cs. In here, cuore, which means the heart. Up here, cervello, which is the brain. And, of course, down here: the coglioni. I no feel my age, I tell you.

~Dino De Laurentiis

If no producer, no movie.

~Dino De Laurentiis

Making movies is all about instinct.

~Dino De Laurentiis

If you get a book which is 600 pages, you have to reduce it to a script of 100 pages. In two hours of film, you cannot possibly include all the characters.

~Dino De Laurentiis

The pope dies, you get another pope.

~Dino De Laurentiis

I have two young girls, 8 and 10. They really keep me young.
