

Dmitry Medvedev

Quotes

*Country, Russia, Climate, Tasks, Decision, Government, Past, Political, Energy,
Thinking, Groups, Badminton, Conversion, Europe, Intelligent, Would Be,
Commitment, Ukraine, Voting, Law*

Those who play badminton well take decisions quickly.

~Dmitry Medvedev

If the Americans like to eat GMO products, let them eat it then. We don't need to do that; we have enough space and opportunities to produce organic food.

~Dmitry Medvedev

Unsolvable problems do not exist. Any crisis is a combination of specific tasks to be worked on. The government has the experience and reserves to overcome the economic downturn

~Dmitry Medvedev

When you borrow money, you should always think how you're going to pay it back.

~Dmitry Medvedev

When I get into a bad mood, I do sports and then everything's OK. And then I go and make decisions, however painful they may be.

~Dmitry Medvedev

Legal reform in Russia is a must. And I keep track of it daily.

~Dmitry Medvedev

The devaluation of words and promises regarding free enterprise is, in principle, worse than the devaluation of the rouble

~Dmitry Medvedev

We must learn to succeed in conditions of low fuel and energy prices

~Dmitry Medvedev

I always say that modernization is not an abstract thing; it's a very specific task.

~Dmitry Medvedev

[Global-warming debate] some kind of tricky campaign made up by some commercial structures to promote their business projects.

~Dmitry Medvedev

Demand for grain in the world today is a more stable trend than demand for energy. Russia is a major grain exporter and can consolidate its positions

~Dmitry Medvedev

Business is always looking to avoid the toughest norms. But some do it in a civilized way, while others push it using uncivilized, brazen methods.

~Dmitry Medvedev

We do not want Ukraine to default. On the contrary, we need an economically viable partner. However, debts should be paid, and this includes state and commercial debts

~Dmitry Medvedev

Any politician is to a certain degree a mentor. They preach something.

~Dmitry Medvedev

Unfortunately, what is happening now in our central regions is evidence of this global climate change, because we have never in our history faced such weather conditions.

~Dmitry Medvedev

The Government will not abandon the free conversion of the rouble

~Dmitry Medvedev
