I was the class clown so I was used to performing and fooling around in front of my friends.

~Dominic Monaghan

I'd like to go on a hardcore safari in Africa, something off the beaten track with anti-poaching people and camping out in the savannah.

~Dominic Monaghan

If I could uninvent anything, I would uninvent Hitler's mum, guns and broccoli.

~Dominic Monaghan

I'm a big fan of the misunderstood, the vilified, the underdog, the breaking of myths.

~Dominic Monaghan

We're electrical items and when we die the electricity goes somewhere else. When we die our energy goes into the galaxy.

~Dominic Monaghan

I've got a hectic schedule, but I wouldn't have my life any other way.

~Dominic Monaghan

I've always traveled, as a kid my parents moved me around, a different place in Germany every four years. But I got the travel bug when I was a kid, living in different countries.

~Dominic Monaghan

I'd love to play a gangster but I think people might say I looked a bit too young and cheeky to play a character who'd just blown someones head off!

~Dominic Monaghan

I don't need to have three feather pillows in my trailer. I just don't work

that way.

~Dominic Monaghan

I like learning new stuff, and continuing to educate myself as best I can.

~Dominic Monaghan

I used to get quite upset that I'd make friends with a guy or a girl and then within the space of three years we'd move and go and live somewhere else, and you'd have to say goodbye to that person.

~Dominic Monaghan

The term 'geek' for me is like you having a passion, interest in something that is unabashed and you don't care if people think it's not cool. You think it's cool and that's your thing.

~Dominic Monaghan

I could always flip between emotions and be available to suddenly do something new. I think it's a part of playing, and you hang onto it when you're a kid.

~Dominic Monaghan

My mom and dad just loved the fact that I fooled around. They just embraced it. They'd always kind of enjoy it, and they liked it when I made them laugh

~Dominic Monaghan

I'm turned on by diversity. I'm turned on by things that are different. I like different animals, I like different ways of travel, and I like different people.

~Dominic Monaghan

I think everyone's a geek in some way.

~Dominic Monaghan

If you look at little kids and wild animals, these are two groups of things that whenever I'm with them forces me to be in the moment.

~Dominic Monaghan

I guess we're living in a pretty sensitive world and there's nothing you can do about that.

~Dominic Monaghan

I love animals. I love being around them.

~Dominic Monaghan

Obviously the idea of being human is a very human idea.

~Dominic Monaghan

Holidays are all different depending on the company and time of your life.

~Dominic Monaghan

My brother's a teacher in Costa Rica and actually does a more important and significant job than I will ever do.

~Dominic Monaghan

When I go on holiday, I go to places that have animals I'm interested in.

~Dominic Monaghan

My job is to try and present the most fully-rounded character that I can, and bring a performance that people believe in.

~Dominic Monaghan

My job, at the very least, doesn't change at all.

~Dominic Monaghan

My best takes aren't necessarily take five or take six. My best takes are

usually take two.

~Dominic Monaghan

I've learnt that the world over, everyone's essentially the same. We are all trying to have a nice time and get along with things.

~Dominic Monaghan

I get involved with projects based on three parameters - the script, the actors involved and the director.

~Dominic Monaghan

I never thought I could learn much from a dog or cat. They sleep when we sleep. They eat when we eat. I'm into observing animals being as wild as they can be in a captive environment.

~Dominic Monaghan

My ultimate search has been for a muse.

~Dominic Monaghan

What would it take for me to eat human flesh? If that was the only way to stay alive, I would. I would eat anything.

~Dominic Monaghan

I really liked German food. And it's very clean.. It's a very clean country. They kind of get rid of the waste really well... the garbage.

~Dominic Monaghan

If I had a choice as to my perfect career, I would make a couple of films a year and then concentrate on natural history.

~Dominic Monaghan
