Organization, Senate, Support, States, Religious, Members, World, Mass
Destruction, Lasts, Cooking, Hate*

It bothers me to read the comments of leaders of the Hamas and others who hate America that their goal is to have more weaponry capable of delivering all types of weapons of mass destruction.

~Don Nickles

[The Internal Revenue Code is] about 10 times the size of the Bible and, unlike the Bible, contains no good news

~Don Nickles

If people are going to be cooking the books, you're in trouble.

~Don Nickles

But the federal government, our collective government, has responsibilities that none of these other levels of government can fulfill; and chief among these is national defense.

~Don Nickles

Well, we want to make sure there's not securities fraud.

~Don Nickles

I have always thought that Israel, as an independent and sovereign nation, had a right to defend itself.

~Don Nickles

I think most corporate executives are good honorable honest men and women who do good work.

~Don Nickles

My State Senate district was in the northern part of Oklahoma and they were redrawing the districts.

~Don Nickles

My last comment was, though, that Congress has cooked the books.

~Don Nickles

I happen to be one who believes very strongly that state and local governments have their proper roles.

~Don Nickles

I still happen to think the United States is the greatest place in the world to invest.

~Don Nickles

Well, WorldCom's growth exploded in the Clinton years, there's no question, there's no disputing that.

~Don Nickles

Jim mentioned I was an ALEC member, and that's correct.

~Don Nickles

I think there's bipartisan support in the Senate to pass a good reform bill.

~Don Nickles

ALEC is one great organization, I think, for growing future political leaders.

~Don Nickles

But if you look at WorldCom, which is the biggest failure to date, they grew dramatically, they were buying companies that were bigger than they were and they were doing it off inflated stock.

~Don Nickles

I ALWAYS intended to return to the private sector.

~Don Nickles
