I saw The Empire Strikes Back the week that it came out. My father was a huge Star Wars fan. And so when it came out, my dad took me.

~Donald Faison

There's so many great things that come with being successful. The one thing that is weird is trying to figure out whose intentions are in the right place, and who is really on your team.

~Donald Faison

You're always afraid of losing what you have. Regardless of success or anything, you're always afraid.

~Donald Faison

I dont want to be just considered a breakout comedic supporting actor. I want to be a breakout actor in anything thats a lead.

~Donald Faison

There's always fear. Always fear. Anyone who says they are not afraid is lying to you. Because this can all change tomorrow.

~Donald Faison

One bad day could turn into a bad year if you're not careful. Or, a bad rest of your life if you're not careful. Because of one day!

~Donald Faison

A lot of luck, and being prepared when the opportunity came. There are talented individuals out there who didn't get the break that I got. Or when the break came, they weren't ready for it.

~Donald Faison

Until Scrubs, I didnt have a business manager. I learned everything on my own - and I learned the hard way.
