The thought of how far the human race would have advanced without government simply staggers the imagination.

~Doug Casey

Do all that you say you are going to do and don't aggress against other people or their property. That's the whole of the law. I can live with a law like that.

~Doug Casey

Trusting the government with money creation is like trusting a drunk with a whiskey factory.

~Doug Casey

Throughout history government has served as a vehicle for the organization of hatred and oppression, benefiting no one except those who are ambitious and ruthless enough to gain control of it.

~Doug Casey

Fear is being used by the political class as an excuse to accumulate more power and self-importance - and collect a lot more taxes to support their agenda.

~Doug Casey

Government sponsors untold waste, criminality and inequality in every sphere of life it touches, giving little or nothing in return.

~Doug Casey

Global warming is the most prominent form of mass hysteria raging across the world today.

~Doug Casey

Democracy is no solution - it's just 51% bossing the other 49% around. For God's sake, Hitler was democratically elected! Democracy is just mob rule dressed up in a coat and tie.

~Doug Casey

Today most funding for science comes through government. That means that you have to be known to be sympathetic to conclusions that are acceptable to the political classes.

~Doug Casey

People who buy government debt deserve to be punished and taught a lesson

~Doug Casey

The way I see it, gold is headed over \$1000 an ounce, probably much higher. At anywhere near current prices, it's the lowest risk, highest potential investment I can think of.
