Hip-hop is supposed to uplift and create, to educate people on a larger level and to make a change.

~Doug E. Fresh

People can look to me as a teacher, but I consider myself a student of hip-hop.

~Doug E. Fresh

I'm always trying to come up with something new and unique. I do a beatbox with a harmonica.

~Doug E. Fresh

I've learned how to look at things and not judge them, but respect them and use it in a way that people understand that I respect them, show them love and respect their reality.

~Doug E. Fresh

There's nothing more special than talking in your community, and using your celebrity to uplift people and help them.

~Doug E. Fresh

I'm forever learning and that's why I'm always able to create new styles and new dimensions of hip-hop.

~Doug E. Fresh

Scientology is not a White religion. It is not just for White people

~Doug E. Fresh

My sons are coming out with music. Square Off, they're called.

~Doug E. Fresh

Health has always been an important thing to me. I exercise and try to take care of myself, and drink a lot of water! And I push that to my kids so that they can carry on that same energy.

~Doug E. Fresh

I could still walk the street. I don't have to have no massive security.

~Doug E. Fresh

Everything is a process... some of our eating habits consist of things we can't change, but if we modify it a little and put some exercise in there, we can really make a difference.

~Doug E. Fresh

Everybody's doing it. When I'm performing and I do the Dougie, the fans lose their minds.

~Doug E. Fresh

When I first started to beatbox on the microphone with the Get Fresh Crew, people were shocked. Some things are just supposed to happen and you have to roll with it.

~Doug E. Fresh

I'm coming up with new music, I'm in the best shape of my life, I'm real sharp, my energy is strong. I look at it as: I'm just following the energy. That's how I sum that up.

~Doug E. Fresh

Honestly, a lot of pop records have beatboxing. Timbaland beatboxes on his tracks. Justin Timberlake beatboxes.
