Race, Religion, Ethnic Pride, Nationalism does nothing but teach you how to hate people you have never met

~Doug Stanhope

You never hear in the news, "200 killed today when Atheist rebels took heavy shelling from the Agnostic stronghold in the north."

~Doug Stanhope

If you're offended by any word in any language, it's probably because your parents were unfit to raise a child.

~Doug Stanhope

Have you ever thought about registering as a sex offender just so your friends won't bring their kids over to your house?

~Doug Stanhope

There's no such thing as addiction, there's only things that you enjoy doing more than life.

~Doug Stanhope

There's only two types of people who are against drugs: the people who have never done drugs and the people who really sucked at doing drugs.

~Doug Stanhope

I am a very mediocre intellect, at best, and I am smarter than most people I know - and that terrifies me.

~Doug Stanhope

Shouldn't the long-term goal of any society be complete unemployment?

~Doug Stanhope

One UK paper described me as a "miserablist", a word I'd never heard

before or since. I looked it up and it means someone who can only be happy when they are miserable. Perfect.

~Doug Stanhope

I think a lot of women look at prostitutes like they're scabs crossing an union picket line, where they go: You can't just go out and sell it for what it's worth, we're holding out for so much more!

~Doug Stanhope

What if I don't want a leader? Where does that vote go? I do good on my own. I don't want to be led.

~Doug Stanhope

People who want to kill other people are the last people I want to party with, because I get mouthy when I drink.

~Doug Stanhope

That's why cocaine is illegal - it makes pussy too easy to get.

~Doug Stanhope

America takes credit for giving you freedom that you had anyway. It's like going to a wedding and putting your tag on somebody else's box.

~Doug Stanhope

Did you ever drink so much of a certain type of alcohol that you get so sick that you can never drink the same kind again? I've decided that's how I'm going to quit drinking. One-at-a-time.

~Doug Stanhope

I sometimes wonder if necrophiliacs are really into dead people or if they just enjoy the quiet.

~Doug Stanhope

Pussy really is the ultimate motivator of all mankind. No, don't clap, this

is a flaw in the system!

~Doug Stanhope

The key to a good life: excess in moderation. They'll tell you moderation is the key to life, but that's bullshit.

~Doug Stanhope

I'm not saying drinking is all that great but you know it's got benefits; you can't smoke somebody pretty.

~Doug Stanhope

Your sins are what make you fantastic. It's what makes you alive. You should wear your sins on your sleeve. You should be trying to top your sins on a daily basis.

~Doug Stanhope

We have no healthcare and we have all the guns in the world, it makes you think twice before you start throwing punches in a bar.

~Doug Stanhope

People wrestle alligators but not once has someone done it without an audience.

~Doug Stanhope

Your instinct is your true god. Follow it.

~Doug Stanhope

You want to help mother Earth? Try sodomy. Sodomy is eco-friendly, and abortion is green.

~Doug Stanhope

If second hand smoke is killing that many people and nicotine is so addictive then why is no one addicted to second hand smoke?

~Doug Stanhope

Sex is a very narrow avenue. You only have so many holes and parts, and eventually, you run out of things to do.

~Doug Stanhope

When you consider the overpopulation in this world ... homosexuality is completely underrated in this society.

~Doug Stanhope

Alcohol does not make ugly people attractive. It makes it so you could care less that they're ugly.

~Doug Stanhope

If you need a baby that bad, go down to the pound and get one. Not even a baby - go get an old man. There's unwanted people of all ages, pre-made and waiting for you.

~Doug Stanhope

High definition ruined a lot of things that I used to hold sacrosanct in pornography.

~Doug Stanhope

I have no fear of death, except I hate waiting for it.

~Doug Stanhope

Excess in moderation: don't drink a few beers every day after work, wait 'till the end of the month and drink all the beers at once.

~Doug Stanhope

Tradition and heritage are all dead people's baggage, stop carrying it. Move forward.

~Doug Stanhope

You should laugh everywhere you can find even the slightest glimmer of humour.

~Doug Stanhope

Do you ever wake up in the morning, look in the mirror and think, something's not accurate?

~Doug Stanhope

It's our flaws who make us who we are.

~Doug Stanhope

The catholic church has a lot more money than any Colombian cartel and they leave a lot more bodies in their wake.

~Doug Stanhope

Not only are the voices in your head real, but they're accurate as well.

~Doug Stanhope

The characteristic of a well-bred man is, to converse with his inferiors without insolence, and with his superiors with respect and with ease.

~Doug Stanhope

At least black people knew when they were slaves; you remain clueless.

~Doug Stanhope

When I say that asian women are beautiful it's not a sexual thing. I'm not being degrading, I find them sexually repulsive.

~Doug Stanhope

If you really believe death leads to eternal bliss then why are you wearing a seatbelt?

~Doug Stanhope

People want an idol. They want royalty. They don't want a public servant. Hell no. They want someone to clap for and go, "Oh, he

touched my hand at the rally!"

~Doug Stanhope

Mutations are exciting. They try to fix 'em when they come out. Did you see the two-headed baby they killed last month when they tried to cut it apart? That was hilarious!

~Doug Stanhope

Babies are like poems. They're beautiful to their creator, but to other people, they're silly and they're irritating.

~Doug Stanhope

The first thing I think of when I wake up is how close I am to death. But then it gets better during the day.

~Doug Stanhope

Every 17 seconds a child dies on this planet from no clean drinking water. Good. Let's try to speed it up... there are too many people.

~Doug Stanhope

Love is such an arbitrary thing. I love my mom. I love pancakes.

~Doug Stanhope

Artists who say that they're artists: usually people who need a job.

~Doug Stanhope

All traditions are stupid unless you came up with it yourself.

~Doug Stanhope

Even your religious friends do not want to hear about God during a medical diagnosis.

~Doug Stanhope

Raccoons don't need to do poppers in order to come while they're

having anonymous same-sex interludes in a highway rest area.

~Doug Stanhope

If you have a good product. You don't need to advertise. You've done drugs? Did you ever see them advertised?

~Doug Stanhope

If you tell me you are going to kill yourself, I'm not going to try to talk you out of it.

~Doug Stanhope

Invent new drugs, that's what you should be doing... fight to get new weirder ones... and weirder establishments to do them in.

~Doug Stanhope

What did you learn in school that you still use today? Go ahead teachers, tell me. What? Fear, conformity, don't question authority.

~Doug Stanhope

Anything that I don't understand or can't do is stupid.

~Doug Stanhope

I couldn't be a responsible enough parent if my kid was born with a new suit and a full-time job.

~Doug Stanhope

Here's the path to sobriety: Play the Ron Paul drinking game. Watch CNN and take a drink every time someone says his name.

~Doug Stanhope

Don't eat a mushroom stem and see colors, eat the whole bag and see GOD

~Doug Stanhope

Religious tolerance. No! Zero tolerance for any type of religion.

~Doug Stanhope

Life is like animal porn, it's not for everyone.

~Doug Stanhope

Democracy is the worst kind of government, I'm sorry. Would you still call yourself a Christian if they elected a new Jesus every four years?

~Doug Stanhope

The only legitimate excuse you could have for having a baby in those dire, war torn, famine struck conditions - would be to eat it.

~Doug Stanhope

Right at the end of the big wall of vibrators, \$29.95, big rubber fist. Thirty bucks! Just in time for mothers day.

When you come out of that pink ugly hole onto this planet you're nothing but a gooey shrieking wrinkled ball of weakness.

~Doug Stanhope

I have the kind of show that reminds you of your problems, and then I talk about other problems you didn't even know you had until tonight.

~Doug Stanhope

Pot is to narcotics what herpes is to social diseases; it doesn't count cos it's not really dangerous and it's too easy to get.

~Doug Stanhope

Charlie Chaplin said something to the effect that humor is an act of defiance, that we must laugh in the face of our helplessness in the forces of nature or go insane. And where is he now? Dead.

~Doug Stanhope

Before modern medicine, would pussies just generally rot up inside you and fall out of you like spoiled oysters on the sidewalk?

~Doug Stanhope

Life's temporary for a reason, it gets boring after awhile.

~Doug Stanhope

I've had six or eight hookers in my life. I never woke up the next day thinking man I'm glad I got a hooker last night.

~Doug Stanhope

I am 42 years old and I have \$9000, and I am out of ideas. I've nothing to spend it on. I'm bored shitless. I will die with that \$9000.

~Doug Stanhope

Boredom is a disease worse than cancer. Drugs cure it.

~Doug Stanhope

Complaining that a comic is drunk is like going to a titty bar and complaining because your lapdancer is a communist.

~Doug Stanhope

I'm in a perfect position. I don't want to be more famous and I can't lose sponsors, so I can say anything I want.

~Doug Stanhope

Separation of Church and State is the perineum of America and the episiotomy didn't hold.

~Doug Stanhope

I'm forty four; I'm way closer to dead than I am life of the party.

~Doug Stanhope

People talk to you and they try to convince you that they like what they

do just because it sucks less than what they used to do... which sucked a lot.

~Doug Stanhope

~Doug Stanhope

Just for being a religion at all you're as complicit as the rest in the retardation of the human intellectual progress.

~Doug Stanhope

Canada, the drinking age is 18, that's unnecessary. Nobody wants to

get loaded around people who have hope and their whole lives still ahead of them.

~Doug Stanhope

I'm not the one-take wonder that a lot people think I am.

~Doug Stanhope

I think it's probably much easier to do political comedy from a two-party point of view, in that the majority have some sense of what it means to be one or the other.

~Doug Stanhope

Drugs support terrorism? No, your SUV supports terrorism.

~Doug Stanhope

They should raise the alcohol age to 60, so at least you'd have something to look forward to at this point.

~Doug Stanhope

If I have to be a monotheist, y'know pick one, I'm picking vodka, it goes well with everything, all occasions.

~Doug Stanhope

There's nothing funnier than getting a death threat via MySpace. Why don't you just write it in a children's birthday card.

~Doug Stanhope

Jesus died for your sins. I'm doing it for your mere entertainment dollar.

~Doug Stanhope

You have options when it comes to abortion now. It's not like 1955 when you just had to kick her down a staircase and hope for the best... you feed her a tapeworm and hope it takes a left at the Y.

~Doug Stanhope

I have a picture I keep in my wallet of my father's corpse... I keep that picture in my wallet to show people who show me baby pictures.

~Doug Stanhope

There's a fine line between being a sicko and an adventurous spirit.

~Doug Stanhope

It was either me or Confucius that said the journey of a thousand miles begins with a vicious ass raping at airport security.

~Doug Stanhope

People hate people just cause they want someone different to hate.

~Doug Stanhope

I love playing in the UK because there are some topics that you just can't talk about in the States without getting run out of town. So let me just say this: Louis C. K.'s new show sucks.
