The purpose of the UN mechanism, this inspection mechanism, is not to engage in a cat and mouse game with Saddam Hussein and try to find weapons that the Iraqi government is working on concealing.

~Douglas J. Feith

It was known in the mid 90s already that Saddam Hussein was a dangerous tyrant that he had already launched aggressions against Iran, he had invaded Kuwait.

~Douglas J. Feith

The key to making the inspections work is the Iraqi government making the crucial decision that because of the international pressure Iraq has to disarm itself.

~Douglas J. Feith

Europe is a collection of free countries.

~Douglas J. Feith

Peace, of course, is different from divorce; indeed, in essential respects, divorce is the opposite of peace.

~Douglas J. Feith

I'm not concerned about weapons of mass destruction.

~Douglas J. Feith

They have involved co-operation between the Iraqi intelligence and al-Qaeda operatives on training and combined operations regarding bomb making and chemical and biological weapons.

~Douglas J. Feith

There have been linkages between the Iraqi government and al-Qaeda going back more or less a decade.

~Douglas J. Feith

I think the disarmament of Iraq is inevitable.

~Douglas J. Feith

The United States has some people in Europe with whom we disagree on this matter and a large number of people in Europe, including governments in Europe, with whom we agree.

~Douglas J. Feith

Though public pronouncements of Israeli officials emphasize peace and mutuality, unilateralism actually drives Israeli actions.

~Douglas J. Feith

No, the United States does not target civilians.

~Douglas J. Feith

If all goes well, the Iraqis are going to have a country that's going to have a representative government and will be at peace with its neighbors and in the region.

~Douglas J. Feith

I'm concerned about getting Iraq on its feet.

~Douglas J. Feith

I had done a lot of reading, relative for a kid, about World War Two, and I thought about Chamberlain a lot.

~Douglas J. Feith
