What footprint do you want to be known for? (It's) the legacy and the journey that you're on. Trust in yourself. Trust in the passion you have (inside) yourself.

~Drew Waters

Well, you know, it's been in the back of my mind. I just cannot get it out of it. I'm miserable chasing money. I'm 30 years old going through a mid-life crisis!" I just couldn't shut (it) off.

~Drew Waters

Don't rely on the money to drive you. Allow the passion to drive you and allow people to come into your life that love you the most and (who want to) enjoy that journey with you.

~Drew Waters

One thing I've never been accused of is slowly coming into something. I always go full on (and ask) "Now how do we make this work?"
