When you are in your heart, nothing needs to be done to bring change... It will happen automatically and with grace.

~Drunvalo Melchizedek

When you function in love, your inside creates your outside. When you function in fear, your outside creates your inside.

~Drunvalo Melchizedek

You are an incredible child of God having a dream that you are a human being on a tiny planet in the middle of nowhere.

~Drunvalo Melchizedek

All there really is to do now, is to be in the present Moment.

~Drunvalo Melchizedek

I really think that people must understand that what you really think and feel and believe is what you're going to create in your world.

~Drunvalo Melchizedek

If we put ourselves behind and put what's more important in front, we will know what to do.

~Drunvalo Melchizedek

It is what the Taoists say: The way to do is to be.

~Drunvalo Melchizedek

Stress comes from trying to achieve, trying to do something, trying to keep up with the events of the world, the speed of the world, and trying to accomplish, to produce results.

~Drunvalo Melchizedek

When people begin to understand that whatever they think and feel happens, then the psychic phenomena begin to rise, which is what's happening now.

~Drunvalo Melchizedek

I am sure that the Israelis and the Pentagon and everyone else are searching through this Bible Code minute by minute to see what the future holds.

~Drunvalo Melchizedek

The mind creates with thoughts and logic, but it sees with light. The heart creates with the emotions and feelings and dreaming, but it sees with darkness.

~Drunvalo Melchizedek

If we have made a specific transition, what it means is that anything is possible right now.

~Drunvalo Melchizedek

Because I'm not attached to the outcome, I don't have to worry whether I succeed or fail.

~Drunvalo Melchizedek

I simply don't become attached to the outer world or to anything. I work for God. I do the very best I can, and then I give the results to Him.

~Drunvalo Melchizedek

Psychic phenomena does not mean wisdom; it only means mental understanding of the relationship of the outer world to the inner world.

~Drunvalo Melchizedek

Bible Code is a subject that is very controversial - most people in the world would not even know what we are talking about.

~Drunvalo Melchizedek

There are certain places in the Bible Code that must be changed in order for us to survive, not just to survive but to survive in a good way,

so that we go back on track with the cosmic DNA.

~Drunvalo Melchizedek

The Earth herself is spirit, she is like a young child.
