I hope I've grown. We all should grow from year to year.

~Ed Gordon

It's interesting because I laugh and tell people when I give speeches, ' I know what y'all think, oh we love Ed, but he's kinda stuck up or he's kinda this or he's kinda that.'

~Ed Gordon

I was two votes away from class clown in high school.

~Ed Gordon

I've got a buddy who will not watch me because he'll say 'I don't know who that dude is.'

~Ed Gordon

Certainly there is a depression I think a lot of Black folks are getting ready to have come January [2017] and that might be an interesting story to tell.

~Ed Gordon

One of the things that EBONY [magazine] has done for years, decades is perspective. They knew what our audience was, they know who we are, so that's what I hope to do with this show.

~Ed Gordon

I want to find those stories that we may talk about at the barbecue or when we're playing bid whist or with our cousins watching TV, but you don't see it on television. Certainly it's perspective.

~Ed Gordon

I also want to do stories that I think are not brought to television that often that our community talks about.

~Ed Gordon

I think the best comparable is Bryant Gumbel's "Real Sports," in the sense that it's quarterly as well. So that's what we're doing, a quarterly special, an hour, three to four stories each hour.

~Ed Gordon

I feel like, I mean, there's no new wheel, you know. A newsmagazine is what it is.

~Ed Gordon

I understand what the dynamic of the brand Ed Gordon has been all these years. I'm just trying to keep that as real and as honest as I can and I don't take it lightly.
