

Ed Markey Quotes

*Years, President, Children, Fire, Oil, School, Rights, Smoking, Pockets,
Opportunity, Population, Detroit, Simple, Country, Treatment, Brighter Future,
Enemy, Safe, Daylight, Loved Ones*

In Uzbekistan, hundreds of protesters were recently killed under the corrupt regime of President Karimov in what human rights groups are calling a massacre.

~Ed Markey

The problem is, is that President Bush and the Republican leadership in the Congress have resisted attempts to increase dramatically our fuel economy standards over the last five years.

~Ed Markey

Education is not only a ladder of opportunity, but it is also an investment in our future.

~Ed Markey

We must vote for hope, vote for life, vote for a brighter future for all of our loved ones.

~Ed Markey

Although children are only 24 percent of the population, they're 100 percent of our future and we cannot afford to provide any child with a substandard education.

~Ed Markey

Our nation's security, economy, and place on the world stage depends on the success our educational system.

~Ed Markey

People really feel that, when they go to the gas pump now, that the oil cartel is holding them by the legs and tipping them upside down and shaking money out of their pockets.

~Ed Markey

The Christians had a better chance against the lions than the American consumer has against the OPEC cartel

~Ed Markey

Detroit is saying that the hydrogen vehicle is the vehicle of the future. But it's 15 years from now.

~Ed Markey

Last year in a historic move, the state of New York passed the very first cigarette fire safety standard.

~Ed Markey

The Brown decision promised that every child, regardless of the color of his or her skin, would have unequivocal access to quality education and an equal opportunity to pursue his/her dreams

~Ed Markey

It is common knowledge that smoking is considered one of the nation's leading causes of preventable death, but it's less widely known that cigarettes are also the leading cause of fatal fires.

~Ed Markey

That's the premise of the Saudi Arabians. He's holding the president's hand with one. In the other hand, he's got his hand in the pocket of American consumers

~Ed Markey

The segregated schools of today are arguably no more equal than the segregated schools of the past.

~Ed Markey

The falsification of scientific data or analysis is always a serious matter

~Ed Markey

Hope is the most important four-letter word in the language.

~Ed Markey

Well, as you know, General Motors does not make hybrids. Ford only made 4,000 hybrids last year.

~Ed Markey

Cigars are no safe alternative act.

~Ed Markey

You have to wait six months to purchase a fuel efficient automobile made from overseas.

~Ed Markey

If we fight our enemy using the same inhumane and morally bankrupt techniques that we are trying to stop, we will simply become what we have beheld.

~Ed Markey

First responders will be on the frontlines if there is a terrorist attack in our communities, and we must provide them with the tools they need to do their difficult jobs.

~Ed Markey

America is running a fever, but there are no emergency rooms.

~Ed Markey

The beauty of daylight-saving time is that it just makes everyone feel sunnier.

~Ed Markey

The Constitution is a 200-year-old parchment, simply because we digitize the words should not suggest their meanings change.

~Ed Markey

I have no confidence whatsoever in BP. I think that they do not know what they are doing.

~Ed Markey

The war against terrorism is a war against those who engage in torture.

~Ed Markey

My thoughts and prayers go out to the thousands of marathon runners, onlookers, city officials and others affected by this senseless tragedy.

~Ed Markey
