Whoever thought the future would feel so much like the present?

~Ed Robertson

I like sporks. They're like spoons, but you can poke people with them.

~Ed Robertson

I have a personal ritual. Just like 10 minutes before a show, I'll open a beer, just so it feels like I've just arrived at a party. I have a few sips, then we go on stage.

~Ed Robertson

Only your customers can define quality, because it's meeting your customers' expectations the first time every time. Simply put, it's performance to the standards of the customer.

~Ed Robertson

I am the pinball geek of the band, probably of the nation of Canada. I've been a pinball fan my whole life. I started collecting machines in the late '90s.

~Ed Robertson

I think we should start a movement, and everyone should just start wearing metal pants to the airport.

~Ed Robertson

'One Week' changed my life because I used to be the Million Dollars Guy, and now I'm the Chickity China Guy.

~Ed Robertson

If I'm looking really intense, it's not because I'm trying to be mystical. It's because I'm thinking '[Dagnabit], that was supposed to be a 7th chord'.

~Ed Robertson

I'm always nervous about singing...always. It may be one of the only

things I sweat about.

~Ed Robertson

People have been introduced to our band in so many ways. Whether we were playing at their college or we were the record that entertained their kids with.

~Ed Robertson

We have multi-generations coming to our show.

~Ed Robertson

You end up throwing a ton of energy into one or two tracks, and the song that we thought was gonna be the single isn't the single.
