I'm in love with everyone I've ever met in one way or another. I'm just a crazy, unhinged disaster of a human being.

~Edie Sedgwick

Have you ever analyzed things to the degree where you can't really remember the difference between what's real and what you've created in your head?

~Edie Sedgwick

I think drugs are like strawberries and peaches.

~Edie Sedgwick

It's not that I'm rebelling. It's that I'm just trying to find another way.

~Edie Sedgwick

I'd like to turn the whole world on just for a moment. Just for a moment.

~Edie Sedgwick

You have to put up with the risk of being misunderstood if you are going to try to communicate.

~Edie Sedgwick

You live alone, creating your life as you go.

~Edie Sedgwick

I can understand other people's situations in their own terms, but I still can't understand mine.

~Edie Sedgwick

I'll have to put more earrings on. I bet that someone could analyze me and tell my condition by my earrings.

~Edie Sedgwick

If all I cared about was me, I could make a million. And that's what they

will never understand.

~Edie Sedgwick

While I was girl of the year and superstar and all that crap, everything I did was really...motivated by psychological disturbance.

~Edie Sedgwick

In the year 2000 you're going to have a problem...Leisure time will be a problem in the year 2000. I just want you to realize, I just want to make sure that you know of it now.

~Edie Sedgwick

I'm afraid of habit patterns...It would be too much of a routine if you had to establish definite ways of getting through things. You'd get very bored.

~Edie Sedgwick

I had fun, but I didn't really have anyone i particularly loved except for loving friends. But I have a certain amount of faith that it will come.

~Edie Sedgwick

I'm greedy; I'd like to keep most of it for myself and a few others, a few of my friends . . . to keep that superlative high, just on the cusp of each day . . . so that I'd radiate sunshine.

~Edie Sedgwick

I lived a very isolated life. When you start at 20, you have a lot of nonsense to work out of your system.

~Edie Sedgwick

I think something very weird's going on now, 'cause the power that is permitted to youth is quite extraordinary. And they are sort of run by that kind of power.

~Edie Sedgwick

I came to New York to see what I could see - that's from a children's book, isn't it? - and to find the living part.

~Edie Sedgwick

I have an accident about every two years, and one day it won't be an accident!
