Even a kick in the ass is good when you're facing the right direction.

~Elie Tahari

It's not about the outside, it's the inside. But dressing on the outside can help the inside.

~Elie Tahari

If you love what you do, it won't be work.

~Elie Tahari

Love is a key ingredient for creativity.

~Elie Tahari

You can only be connected to others if you are connected to yourself and the truth inside.

~Elie Tahari

It doesn't matter if it's raining and dark. The sun is shining above the clouds.

~Elie Tahari

Creativity to me is the life force that is in us. It's an animalistic instinct for survival.

~Elie Tahari

Clothing should be quieter than the woman so that her true beauty can shine through.

~Elie Tahari

Every day has its own challenges, and every day those challenges make us stronger.

~Elie Tahari

Whatever energy you put out there, that's the energy you're going to

get back.

~Elie Tahari

I worked in a boutique after work, my second job, selling women's clothes. And that was a way of not just making money but meeting women. That was very exciting job. I loved that job.

~Elie Tahari

Follow the truth to life and love what you do... Be passionate about it to the point where you're willing to do anything for it.

~Elie Tahari

New York. Truly, this is the only city that I feel this energy. Everyone is accepted. This is the first place that I felt open and that I can do everything.

~Elie Tahari

Getting up in the morning and loving what you do is a dream come true.

~Elie Tahari

New York accepts everybody. It doesn't matter your sex, color, religion. Everybody works together to create a better life.

~Elie Tahari

I had to succeed. Failure means I would have to be homeless again.

~Elie Tahari

Don't bring me problems. Bring me solutions.

~Elie Tahari

I don't walk around feeling like I'm successful. I feel like I did well.

~Elie Tahari

If you like something, go for it.

~Elie Tahari

Financially Im comfortable. But life has a lot more in store for me.
