Theres nothing more romantic than Italian food.

~Elisha Cuthbert

I don't ever want to be doing the same sort of thing, I never want to be typecast, because I have way too much to give to be sort of, to always be the hot chick in the movie.

~Elisha Cuthbert

I've always wanted to shave my head for a role because I've wanted to play a character who had a shaved head. I don't know what the fascination is.

~Elisha Cuthbert

I'm used to being someone else 10 months out of the year.

~Elisha Cuthbert

The celebrity body I most admire is Madonna's. She has the most incredible physique - and the woman's in her 50s!

~Elisha Cuthbert

I do try and stay away from the stereotype and getting typecast.

~Elisha Cuthbert

I do believe that when you know better, you do better. You know what was wrong about the last relationship, and hopefully you will do better the next time.

~Elisha Cuthbert

To sit through a film where you're just unmotivated to be interested in a character is probably the worst thing that could ever happen.

~Elisha Cuthbert

I find myself maybe just pushing myself to create characters that are a little outside the box, and if that sort of gets the critics talking, then I can

take it.

~Elisha Cuthbert

That's when you know a horror film delivers - when you're walking out of the theater going 'Oh my God!' You can't get the images out of your mind.

~Elisha Cuthbert

I guess there's a vulnerability in seeing a female character trying to get out of something really drastic.

~Elisha Cuthbert

You know, I've never been much of a method actor. I feel like, with every project I go in extremely prepared and I like to have a good time.

~Elisha Cuthbert

I think wardrobe is a really important part of making a movie and developing the character.

~Elisha Cuthbert

I've always been against trying to make a movie like another movie. That's lame. It's already been done, so why do it again?

~Elisha Cuthbert

I'm one of those low-maintenance people - let's get it done and get going. It's not that painful to wax, but... I don't have time for it - just give me the razor.

~Elisha Cuthbert

I Feel like I'm one of the Simpsons

~Elisha Cuthbert

I definitely believe in fate. And I believe what you put in is what you get in return. That's the way it's worked for me. As for the big picture -

there's some sort of plan.

~Elisha Cuthbert

I really know right from wrong and apply that to my life. At home, I was the oldest of three. My role was to be the responsible one.

~Elisha Cuthbert

I go into every film not just wanting to play the hot girl in the movie. It kills me.

~Elisha Cuthbert

A lot of people loved to hate my character on 24. I want to be the character people love to love.

~Elisha Cuthbert

I don't like to play characters that are one note, and just the attractive girl in the film.

~Elisha Cuthbert

I certainly realize that not only do I like the horror genre, but I'm getting really good at it and I'm having a good time making them.

~Elisha Cuthbert

As long as I can make an audience feel something, I don't care whether it's a good thing or bad thing, just to feel something is important to me.

~Elisha Cuthbert

I tend to stay out of the public eye a little, compared to some of my peers.

~Elisha Cuthbert

I watch what I eat obviously. I'm not a regular gym-goer but I'm conscious of it.

~Elisha Cuthbert

I think, as an artist, whether you're making people laugh or cry or be frustrated or excited - the fact that you're generating some sort of emotion out of an audience is, to me, worth it.

~Elisha Cuthbert

I love horror films, so I guess it's one of those things where I find myself interested in the script.

~Elisha Cuthbert

It's hard to be scared if you don't feel for a character, because you don't care if they die or live.

~Elisha Cuthbert

Celebrity or no celebrity, I think a lot of females deal with the fear of being abducted.

~Elisha Cuthbert

Life is funny and it is interesting how we make it as serious as possible.

~Elisha Cuthbert

I just don't like showing everything I've got. I don't want to look like I'm trying too hard to be sexy.

~Elisha Cuthbert

I think it's so wrong to play the victim. There's too many brave women out there that just won't even tolerate it, you know?

~Elisha Cuthbert

The problem with TV now is that there's so much competition, that you're always on the chopping block.

~Elisha Cuthbert

Yeah, I've gotten a few letters from prison.

~Elisha Cuthbert

I don't look in the mirror and think that I have flaws. I actually look in the mirror and see me. I see a lot of different characters and a lot of different things.
