It's better to be a lion for a day than a sheep all your life.

~Elizabeth Kenny

He who angers you conquers you.

~Elizabeth Kenny

Some minds remain open long enough for the truth not only to enter but to pass on through by way of a ready exit without pausing anywhere along the route.

~Elizabeth Kenny

Panic plays no part in the training of a nurse.

~Elizabeth Kenny

I was wholly unprepared for the extraordinary attitude of the medical world in its readiness to condemn anything that smacked of reform or that ran contrary to approved methods of practice.

~Elizabeth Kenny

As a girl my temper often got out of bounds. But one day when I became angry at a friend over some trivial matter, my mother said to me, Elizabeth, anyone who angers you conquers you.

~Elizabeth Kenny

It is easier to recount grievances and slights than it is to set down a broad redress of such grievances and slights. The reason is that one fears to be thought of as an arrant braggart.

~Elizabeth Kenny

His response was remarkable for its irrelevance, if for nothing else.

~Elizabeth Kenny

Memories do not always behave in an orderly way, but bloom, as it were, erratically.

~Elizabeth Kenny

My mother used to say, 'He who angers you, conquers you!' But my mother was a saint.

~Elizabeth Kenny

The American doctor possesses a combination of conservatism and... an eagerness to know what it is really all about, in order that he may not be the one left behind if there is something to it.

~Elizabeth Kenny

If someone angers you, they control you.

~Elizabeth Kenny

I'd like to live every moment of my life, but not a moment after.

~Elizabeth Kenny

Fortunately, perhaps, I was completely ignorant of the orthodox theory of the disease polio-myelitis.

~Elizabeth Kenny

The record of one's life must needs prove more interesting to him who writes it than to him who reads what has been written.

~Elizabeth Kenny

O sleep, O gentle sleep, I thought gratefully, Nature's gentle nurse.

~Elizabeth Kenny
