I get way too much happiness from good food.

~Elizabeth Olsen

I believe that you are only in control of so much. So whatever you are not in control of you can't worry about.

~Elizabeth Olsen

I'm a very social person and I love being out in the world, and the feeling of not having that is the scariest thing to me.

~Elizabeth Olsen

I think every day you try to soak up as much as you can to learn and understand things better.

~Elizabeth Olsen

What keeps you confident in a healthy way is knowing that everyone else around you is going to support you and teach you and you're going to learn from them. I just feel open to learning from people.

~Elizabeth Olsen

I'm kind of a nerd when it comes to literature and theory. I wish I could have more of that in life, but I don't because I'm always reading scripts or things to prepare for movies when I'm reading.

~Elizabeth Olsen

If you don't like something, talk about something else that's great and maybe someone else will discover it and think it's great too.

~Elizabeth Olsen

I've always had a complex about being taken seriously.

~Elizabeth Olsen

I'm the curvy one of the family.

~Elizabeth Olsen

I would love to date a chef. I'd probably get really fat, but I don't care.

~Elizabeth Olsen

I would mimic what I saw in Grease and Guys and Dolls in front of my mom's mirror and I would practice voices and songs. When you put me alone in a room, that's what I would do.

~Elizabeth Olsen

I was embarrassed that I even wanted to become an actress because coming from L.A., with two older sisters in the business and a mom who had been a ballet dancer, it was such a cliché.

~Elizabeth Olsen

I never wanted anyone to think that I would use my family name to get me anywhere.

~Elizabeth Olsen

I think a lot of films do themselves a disfavor by putting in way too much information, and everyone knows what's gonna happen next, and no one can actually discover things as they go.

~Elizabeth Olsen

People don't need careers. People should just exist.

~Elizabeth Olsen

Everyone is always surprised by how old I am. They think I'm older, but it's always been that way. I'm the youngest of four - maybe you grow up quicker because you just watch the big people.

~Elizabeth Olsen

When I was 13, I told my parents I didn't believe in God any more. Religion should not be about determining women's freedoms.

~Elizabeth Olsen

And I think in theater, people don't really focus on the media unless there's a huge superstar doing a play or something.

~Elizabeth Olsen

~Elizabeth Olsen

I'm the first one who sees every romantic comedy in theaters.

~Elizabeth Olsen

Movies are in a much longer production conversation before an actor is even involved. I always thought of actors as the last piece of the puzzle - so you're a tool.

~Elizabeth Olsen

I've only done one shoot where it's modeling clothes, not like me in my environment. And the stylist, literally, I had her stand behind the photographer and do poses.

~Elizabeth Olsen

I find acting conservatories really important. I've gone to four different ones, and all of them provided totally different tools for me.

~Elizabeth Olsen

I never understood why anyone would do magazines. Like, why would someone put their face out there so much? It's because those people reading magazines will go see the movie, so you do it.

~Elizabeth Olsen

I just need to figure out how to grow without compromising.

~Elizabeth Olsen

I think every time you start a job, it's good to remember that everyone's kind of in the same boat, no one knows what they're doing. Everyone thinks that they don't know what they're doing.

~Elizabeth Olsen

But I have a list of books that I want to read before I die, and whenever I get time to read something that isn't a script, I'll read something from that.

~Elizabeth Olsen

I've never read a young adult novel, though. I'm sure I would love it, but I've never read one.

~Elizabeth Olsen

Yeah well I think her relationships with people become really clear, and I think they all make tons of sense in line with Ultron as well.

~Elizabeth Olsen

My friends and I started making films when I was still in kindergarten.

~Elizabeth Olsen
