California, Land*

The fifth amendment of the U.S. Constitution guarantees that no private property shall be taken for a public use without the payment of just compensation.

~Elton Gallegly

Since achieving their independence in 1992, the people of Croatia have built a democratic society based on the rule of law, respect for human rights, and a free market economy.

~Elton Gallegly

Consular cards were not designed to be identification and no treaty recognizes them as such. Legal travelers, visitors and long-term residents carried passports, visas or green cards for that purpose.

~Elton Gallegly

Horsemeat in many European and Asian countries is consumed as a delicacy.

~Elton Gallegly

More than 65,000 horses were slaughtered in the United States in 2004, a 50 percent increase since 2002.

~Elton Gallegly

In addition, California spends nearly \$1 billion a year in Medi-Cal services for an average of 780,000 illegal immigrants a month, over and above emergency health services.

~Elton Gallegly

Consular cards are easily obtained with no proof of true identity and are easily forged.

~Elton Gallegly

As a former mayor, I know that local governments must have control over land use decisions.

~Elton Gallegly

It's been argued that of all the animals humans have domesticated, the horse is the most important to our history. For thousands of years, horses were our most reliable mode of transportation.

~Elton Gallegly

President Reagan is now at rest. We mourn his passing, but we are grateful for the gifts he gave us: a safer world, strong economic base, and a renewed belief in America's greatness.

~Elton Gallegly

I have great respect for President Bush, Secretary Powell and Secretary Ridge.

~Elton Gallegly

You took care of your horse, and your horse took care of you.

~Elton Gallegly
