After you've done it for so many years, you have to find a new direction. You have to find something in your soul that's going to push you towards - to find your inspiration.

~Elvis Stojko

Technically, the last number of years, partially from the injury, it's been difficult to push forward but I felt even before the injury that I still could do more and was sort of at a stalemate.

~Elvis Stojko

It takes a lot of patience and a lot of time to create something worthwhile.

~Elvis Stojko

I would have to agree, that I'm probably more intense than Brian or Kurt, competitive because, I was always like this, always being that way, always real competitive.

~Elvis Stojko

My mom was a dancer, my dad's a singer and I've always had that kind of music in my life.

~Elvis Stojko

The past is history, the future is a mystery. But today is a gift...that's why they call it the present. So cherish every minute of it.

~Elvis Stojko

And then, looking back at my first Olympics, and when the pressure was on, in '94 and '98, and looking back and going, wow. I sensed and felt what Brian had gone through.

~Elvis Stojko

Listen to the inner voice that allows you to be you!

~Elvis Stojko

Always looked up to Brian and his skating, I loved his skating and what he had done for the sport. And the triple axel, that was the thing, and I wanted a triple axel.

~Elvis Stojko

You always learn from your mistakes.

~Elvis Stojko

I don't want to prove to anyone or prove to myself. I'd rather just enjoy and show myself that I am capable of doing it and actually going through the process.

~Elvis Stojko

A lot of times when you go through a very traumatic situation and it's emotionally difficult to deal with you come back spiritually stronger. It changes you in a way.

~Elvis Stojko

I always push forward. It doesn't mean that I'll be perfect. I make mistakes -- but I learn from my mistakes, and move on.

~Elvis Stojko

By no means because I am a World Champion will I ever stop learning and that's the biggest thing that's difficult for someone to see.

~Elvis Stojko

When you're younger, your inspiration is there. As you get older, it tends to waver. Once you find it - I found it again - that's where you can draw from. That's where you draw your strength from.

~Elvis Stojko

I could not have done anymore, I had pushed myself to a limit that I had never touched before and that's definitely going to change you - than going out and doing what you do in practice every day.

~Elvis Stojko

I won't be skating for the rest of my life, that's for sure

~Elvis Stojko

All I know is that skating is getting better, the guys are getting better throughout the whole age range
