We are all wonderful, beautiful wrecks. That's what connects us-that we're all broken, all beautifully imperfect.

~Emilio Estevez

We don't think about pilgrimage in this country. We don't think about meditation. The idea of taking a six-week walk is totally foreign to most Americans. But it's probably exactly what we need.

~Emilio Estevez

I saw a headshot with the name 'Emilio Sheen' printed under it and it looked terrible.

~Emilio Estevez

I used to Google my name to see what came up - it hurt.

~Emilio Estevez

In the current climate, we live in a pessimistic and non-idealistic world.

~Emilio Estevez

Film is an illusion. Fame is ephemeral. Faith and family are what endure.

~Emilio Estevez

We've lost touch and allowed technology to take precedence over organic nature. But let's not forget that those microchips in our computers came from elements of the earth.

~Emilio Estevez

We need to risk, we need to dare to risk and fail greatly because that's the only way we grow.

~Emilio Estevez

People are beautiful wrecks.

~Emilio Estevez

We're all imperfect. And wouldn't it be great if the message sent out by the mainstream media is that we're fine being exactly who we are? Wouldn't that be great for everyone?

~Emilio Estevez

Writing is a lonely job, unless you're a drinker, in which case you always have a friend within reach.

~Emilio Estevez

I probably grow half my food. It's a good way to keep perspective.

~Emilio Estevez

This is one of the benefits, as well as one of the difficulties of directing a member of your family. You know where the buttons are. You can push them if you want.

~Emilio Estevez

I still have the art projects my kids made for me 20 years ago. I cherish them, crude and silly as some of them may be.

~Emilio Estevez

All the crap that we've encumbered our lives with, it's really meaningless.

~Emilio Estevez

You don't choose a life, dad. You live one.

~Emilio Estevez

The low-hanging fruit is cynicism and pessimism, and it's there if you want it. You can reach out and you can grab it, you don't even have to make any effort.

~Emilio Estevez

What I find interesting is that the people that follow your Twitters are

called 'followers.' Talk about false idolatry, right?

~Emilio Estevez

By definition, I believe I am unapologetically optimistic and I am unapologetically earnest.

~Emilio Estevez

We get very set in our ways and it's sometimes hard to look beyond what else is out there.

~Emilio Estevez

Since the beginning of time, every child on the planet has endeavored to please their parents.

~Emilio Estevez

Spiritually, we're all on a path. I haven't declared or defined myself because as soon as you declare yourself you're identifying with a certain dogma.

~Emilio Estevez

If only media people would stop reaching for the low-hanging fruit, which is cynicism and pessimism, and stopped trying so hard to be hip and cool and have a swagger.

~Emilio Estevez

Americans are probably more in line than ever before. We're more moderate than we are liberal or conservative.

~Emilio Estevez

When people ask what were the qualities of Bobby Kennedy that they most admired, it was first that he was tough. Second, he told the truth and third, he stood up for the little guy.

~Emilio Estevez

I have a problem with objectifying women, but I don't have a problem playing a guy who objectifies women.

~Emilio Estevez

My father is the Hollywood equivalent of a clean, fillet-brazed frame. My brother is like one of those fat-tubed aluminum Cannondales. I'm more like one of those Taiwanese Masis.

~Emilio Estevez

You make a film and you don't know who it's going to appeal to.

~Emilio Estevez

People come up to me on the street and say, 'Men at Work is the funniest movie I ever saw in my life'. But, you know, I do have to question how many movies these people have seen.

~Emilio Estevez

You look at 1968 and it was truly the year that shook the world. The world was really completely upside down.

~Emilio Estevez

I believe the death of Bobby Kennedy was in many ways the death of decency in America. I think it was the death of manners and formality, the death of poetry and the death of a dream.

~Emilio Estevez

What does it take to get you to the point where you have to kill your brother? It's biblical, it's huge. It's so personal.

~Emilio Estevez

Young people need to re-engage with politics. The life of democracy depends on it. We've left it to the stuff shirts, and obviously they haven't been minding the store.
