Gaiety is one of the most important elements I brought to fashion. I brought it through color.

~Emilio Pucci

Today - and it's happening very rapidly - money, wealth, position, birth are of no importance at all. The thing that is important is the individual you are.

~Emilio Pucci

Today people are a hundred times more interested in the personality of the person they are with than the clothes he wears.

~Emilio Pucci

I think that in the end, the people are not fooled by promotion. They want to know that something works and is right.

~Emilio Pucci

I would say that if something has an aesthetic value and it is pleasing to watch or to wear, it may in fact have nothing to do with status symbol. You just like to wear it.

~Emilio Pucci

Americans have started a lot of projects around the world and I am one of them.

~Emilio Pucci

People have to identify with something to show they have reached a certain goal. Anyway, in Russia it's done with medals. You put on all these medals to show who you are.

~Emilio Pucci

I don't think people today need to derive security from possessions.

~Emilio Pucci

When a man has seen the aerodynamic shape of a Caravelle jet at an airport, he doesn't need aerodynamic furniture.

~Emilio Pucci

You can wear your hair long or wear a beard because you want to show that you are interested in thought, in psychological endeavors rather than appearance.

~Emilio Pucci

I would say that it is a trait by which Americans, searching for things which are different or new, seem to recognize the gift that people may have that cause people do to things.

~Emilio Pucci

As many Europeans and other people from other countries, I have been led into my present activity by a very specific American gift of trade.

~Emilio Pucci

It would be very interesting to make a survey around the world, from wealthy countries to the most advanced countries to see what influence Americans have had. I

~Emilio Pucci

American businessmen have taken advantage of the opportunities which existed in Europe and Europeans seem not to have been aware of.

~Emilio Pucci

Americans are responsible not only for really starting a lot of things in a lot of countries, but also for giving people the confidence to do things they might never have thought to do.
