To say that I am organized is an understatement, but my car tells a different story.

~Emily Procter

I'm never going to be a modern gal. I love colonial. I love early American. I love a big rectangular piece of brown furniture on a hardwood floor.

~Emily Procter

I squirrel away sealed greeting cards that people give me so I can open them later when I'm having a bad day.

~Emily Procter

It's amazing what sleep does for your looks.

~Emily Procter

I feel like 'CSI: Miami' was just a license to do all sorts of horrible things that I'd always wanted to do.

~Emily Procter

I always wear high heels.

~Emily Procter

180 episodes of 'CSI: Miami' and never the same lipstick twice!

~Emily Procter

I'm very self-conscious having my picture taken, so I clown around. My driver's license photo looks like a blonde Elvis.

~Emily Procter

What I know from my friends who are cops is they keep their houses very clean, because they say you never know if you're coming back or not.

~Emily Procter

If you live in a small space, you should do the things that make it feel luxurious.

~Emily Procter

Getting pregnant wasn't easy, and I found that devastating. I really beat myself up for waiting so long when I'd always wanted children and family had been the basis of my happiness my whole life.

~Emily Procter

The only important thing in this life is to figure out how to use the experiences that you have to make the world a better place.

~Emily Procter

Rob Lowe is a sportsman and a ladykiller and it's impossible to be in a scene with him and not immediately begin to play tennis.

~Emily Procter

I always felt my emancipation into truly being a grown-up was when I had to figure out how to fold up a king-size fitted bottom sheet on my own.

~Emily Procter

I never wear pants in my life. I never thought I'd say this, but I miss wearing pants. For the first time in my life, I miss my pants.

~Emily Procter

It's so nice after 10 years as a blond actress in Hollywood to have people let you do smart things.

~Emily Procter

In college, I was a weather anchor for the local news. I would 'borrow' my forecast from The Weather Channel.

~Emily Procter

Before you're a mom you don't know what gear is going to be relevant.

~Emily Procter

When I was 8, my favorite toy was a stapler. My brother was afraid of me.

~Emily Procter

Having a crying baby is inspiration to get the job done quickly.

~Emily Procter

I can feel the knee or the foot. The baby is starting to get heavy, and it's a really incredible feeling. I'm so grateful I get to experience this.

~Emily Procter

It's not a bad idea to be single, so I can concentrate on my job.

~Emily Procter

I've always known I was adopted.
