There's no adventure in knowing the outcome of who you're supposed to be with.

~Emma Caulfield

The best advice is to take it easy, respect speed limits and do not try to make up time lost in the tailbacks on the open road.

~Emma Caulfield

We're far more defined by our mistakes than the things that we succeed at.

~Emma Caulfield

I've never considered stand-up. Luckily I'm given great lines to say. I'm not sure how great my timing would be if I actually had to come up with my own jokes.

~Emma Caulfield

I think my worst nightmare is standing up in front of a group of people.

~Emma Caulfield

I don't really care if people get upset. I think I'm doing my job if people get upset; I want them to think! We all want them to think, hopefully.

~Emma Caulfield

I'm a huge fan of 'Community'; it's, I think, one of the most brilliant comedy on television and has been for a long time.

~Emma Caulfield

We love having the freedom that we have with the web; I mean, we don't have to answer to anybody. We have complete creative control; we don't have to worry about FCC regulations.

~Emma Caulfield

I find that when I'm ready for something to end, I transition quickly. But

when something ends before its time, I find it hard to move on.

~Emma Caulfield

I'm a big fan of being scared I like being scared. I like being involved in a film that will make audiences scared, that intrigues me.

~Emma Caulfield

I don't get a chance to do many of my own stunts on 'Buffy' - none of us do. We have amazing stunt people who make us all look really believable and really good.

~Emma Caulfield

I had no interest in being your basic vanilla girl. I've been lucky enough that I haven't had to play that.

~Emma Caulfield

I think talking about one's love life is always... It's a Pandora's box, best kept in journals.

~Emma Caulfield

I'm a huge science fiction fan...

~Emma Caulfield

I think my strongest suit is comedy. I certainly have limits in other areas.

~Emma Caulfield
