

# Eric Bolling Quotes

*People, President, Thinking, Military, Mean, Jobs, Winning, Guy, Years,  
America, White, Talking, Needs, Race, Way, Feelings, Leader, Immigration,  
Troops, Wall*

And yet when you take Christianity, Judaism, Hinduism, Buddhism, whatever, their combined killings in the name of religion -- well, that would be zero.

~Eric Bolling

Global warming is not a threat. It's not a real threat. It's not a credible threat. It's not an imminent threat. ISIS is.

~Eric Bolling

Whether they did or didn't, America was certainly safe between 2000 and 2008. I don't remember any terrorist attacks on American soil during that period of time.

~Eric Bolling

I'd never want to have a gun. I don't think we need guns in this country and I hate it, and I think the NRA is a disaster area.

~Eric Bolling

It's President [Barack] Obama sounding the alarm, scaring the crap out of the American people. Saying if you don't raise the debt ceiling, we're going to default.

~Eric Bolling

You [the American President] can print more money, you just print and pay. I mean, it's a bad option, but you can do it.

~Eric Bolling

[If] You don't like the rule, change the rule; but play by the rules.

~Eric Bolling

When people don't comply, things - bad things will happen afterwards.

~Eric Bolling

President O[bama] talks the talk and then walks a completely different

walk. I would call him the divider-in-chief.

~Eric Bolling

I also point out that the Democrat senator from Maryland, called the Tea Party, teabaggers.

~Eric Bolling

Pen in Barack Obama hands is far more dangerous than any other president, at least in modern history, if not ever.

~Eric Bolling

Hillary Clinton wouldn't have make a joke about wiping the server clean with a towel or now we find out about bashing old Blackberries to get rid of them or the fact that she had 13 Blackberries.

~Eric Bolling

President Obama promised to usher in a new era of civility in our political discourse. We should make sure that, quote, "talk to each other in ways that heal, not in ways that wound," close quote.

~Eric Bolling

Here's the thing: We have plenty of time. These are cockroaches and we want to kill them all. They're just absolute pieces of garbage and we will get them. So why don't we try the air campaign first?

~Eric Bolling

We're not going to default. We just won't default. I mean, there are ways of not defaulting even if you don't raise the debt ceiling, and even if you don't fund the government.

~Eric Bolling

That's exactly what [Donald] Trump says, Putin is a great leader. We should love Putin. He has a high popular and everybody oh, fine, you guys - oh, that's terrific.

~Eric Bolling

What's the legacy of President Obama? I think this is just another, another example of passing the buck. It never stops at the White House.

~Eric Bolling

Listen, you may not like the fact that I'm talking about Donald Trump, but the facts are that he is now, this is a race. This is a - it's no longer Hillary's [Clinton]. This is now a horse race.

~Eric Bolling

There is a massive problem with veteran suicides.

~Eric Bolling

I think it's important here to keep something in mind. I mean, when you're looking at last night and you see Matt Lauer unable to tell [Donald Trump], "Hey, you know what? You're lying here."

~Eric Bolling

American businesses are looking for are certainty and executive orders don't really get them that.

~Eric Bolling

A lot of unions are doing the same thing on the left that the NRA is doing on the right.

~Eric Bolling

What we're not for is negotiating with people with a bomb strapped to their chest.

~Eric Bolling

President Obama, right after the Gabby Gifford shooting said we need to usher in a new era of civil discourse in politics. But not heeding his

own advice.

~Eric Bolling

Dan Pfeiffer for me probably the most concerning at all because he is the [President Barack Obama] strategic communications adviser.

What's the strategy ?

~Eric Bolling

[Donald Trump] said that he has intelligence briefings. He's heard stuff that body language. It's very wild to me.

~Eric Bolling

In honor of Al Gore, green tea, not Tea Party, but Al Gore green tea. And by the way, it's tree hugger-approved.

~Eric Bolling

Yes, Jews - typically American Jews, typically vote democrat, I get that.

~Eric Bolling

People with felony convictions - pending felony convictions should not be able to buy gun, but they should be able to stay in sanctuary cities, if they're illegal, if they cross the border.

~Eric Bolling

The American people don't want additional troops on the ground.

~Eric Bolling

Isn't that what our job to do is right there in media to discuss what politicians are doing so they stop doing it.

~Eric Bolling

Take a job, do it for ten years and work at it, and you'll succeed. Can I just add, take a job that you enjoy. If you don't enjoy the job, it's going

to be a decade of hell.

~Eric Bolling

A lot of people love Marco Rubio but they're gonna have - they also love Jeb Bush. They are having a hard time trying to figure out how they gonna - you know, figure that one out.

~Eric Bolling

Defense wins championships. A good offense is beat by a good defense, always.

~Eric Bolling

I know generals who disagree with [Barack] Obama, but I don't think these people are idiots or been reduced to rubble.

~Eric Bolling

What did [Donald] Trump say about John McCain?

~Eric Bolling

[Donald Trump] gets a 19 percent higher approval rating than [Hillary Clinton] does ,among military members.

~Eric Bolling

Don't disparage America's military.

~Eric Bolling

[Donald] Trump has quietly rolled out an immigration plan with specifics and everyone wants specifics. He's got immigration with specifics, a black and Hispanic outreach plan with specifics.

~Eric Bolling

Kathy Griffin, Madonna, Snoop Dogg, they're all lefties.

~Eric Bolling

The housing market is at a record high that it's never been at also.

~Eric Bolling

We would take millions [of undocumented illegal] if they would serve in the military.

~Eric Bolling

I think that was the smartest thing [immigration policy], he [Donald Trump] is doing in his whole campaign there .

~Eric Bolling

Politicians saying one thing and doing another, celebrities though are some of the worst offenders.

~Eric Bolling

Doctors have a tough job and sometimes it takes you being tough.

~Eric Bolling

Put the walls up. Get the better walls. There's no reason the army website should be hacked.

~Eric Bolling

Jerk equals narcissist. Narcissists tend to be risk takers. Risk takers happen to do better in general in businesses. So jerk equals narcissist, equals risk taker.
