At the end of the day, right now, right here, wherever you are, you can make a choice to be present and happy and fulfilled.

~Eric Lange

Improvise. Write your own damn story.

~Eric Lange

Sometimes I feel like the corner in the circle.

~Eric Lange

I'm excited to begin the next chapter of my life with an amazing woman.

~Eric Lange

The idle brain is the devil's playground.

~Eric Lange

As someone who makes his living as an actor, my routine varies almost every day.

~Eric Lange

I'm not a great actor in the sense that I can't fake it if I'm going through something difficult.

~Eric Lange

I'm usually pretty open about what's going on with me.

~Eric Lange

Silence allows me to hear what's really going on in my head.

~Eric Lange

Love the things you love as best as you can love them in the time you have in their presence.

~Eric Lange

The destination you think is going to make you happy, doesn't.

~Eric Lange

Change is a constant. Anything you get attached to will one day be gone.

~Eric Lange

Silence. There are times it's the only thing I want and I wonder how I'll ever go back to the world of noise and distraction.

~Eric Lange

Silence makes me feel vulnerable.

~Eric Lange

I love the idea of creation and creativity.

~Eric Lange

Creating things makes me come alive.

~Eric Lange

I try and keep busy with something, but I also give myself permission to be busy with something that is creative and rewarding, not just the errands to the dry cleaner.
