## **Erin Brockovich Quotes**

If you follow your heart, if you listen to your gut, and if you extend your hand to help another, not for any agenda, but for the sake of humanity, you are going to find the truth.

~Erin Brockovich

Life is full of challenges. How you handle these challenges is what builds character. Never be afraid to be who you are.

~Erin Brockovich

If you can go out there and stand up for what it is you believe in no matter how many times you are knocked down, in the end the swinging of your own blows will exhaust them.

~Erin Brockovich

None of us can take anything with us when we're gone. It's what we leave that's gonna matter.

~Erin Brockovich

My mom and my dad taught me the greatest gifts we have are our family, our health and the right to clean water and good land.

~Erin Brockovich

I do care a great deal about the environment but my real work and my greatest challenge is trying to overcome deceits that end up jeopardizing public health and safety.

~Erin Brockovich

Each disaster became a steppingstone for growth.

~Erin Brockovich

What people don't understand is like when water gets polluted, it's an entire aquifer. There's a whole fascinating world that exists underneath our feet that we don't see, therefore we don't relate.

~Erin Brockovich

## **Erin Brockovich Quotes**

You will definitely find moments where somebody else is going to try to suppress you or put you down, but you have a choice in how you see yourself.

~Erin Brockovich

Take It From Me: Life's a Struggle but You Can Win

~Erin Brockovich

For me, what I see happening in this [clean water] crisis is deterioration of the family. It is deterioration of our health.

~Erin Brockovich

I stand with the Navajo Nation and call upon the U.S. Government to do what is right and clean up this mess.

~Erin Brockovich

We must have clean water and the health and the welfare of our children is at stake and is at risk.

~Erin Brockovich

Had there not been the film, my name would not represent somebody that's out there fighting for the environment.

~Erin Brockovich
