The only question that really counts, must be thins one: are things getting better or are they getting worse?

~Erlend Loe

I don't want all that much. But I want to be fine. I want to live a simple life with many good moments and a lot of fun.

~Erlend Loe

I think I'm more concerned with things that are very big and things that are very small than with all the stuff in between.

~Erlend Loe

â€I don't wish to meet people. They disgust me. Increasingly so. But I must have milk.

~Erlend Loe

Something is going to have to happen. Not necessarily something big. Just something.

~Erlend Loe

I have enough trouble with useful information, never mind being burdened with what is useless.

~Erlend Loe

Everything which is human is alien to me.

~Erlend Loe

It's good for me to see so many other people who are not me. That there are so many others. I feel affection for them. Most of them are doing the best they can. I am also doing the best I can.

~Erlend Loe

There are too many confusing things present. Things I know. Thoughts I have. Sarcasm. Things I think I ought to be doing and places I ought

to be going. Always other places.

~Erlend Loe

Everything seemed meaningless to me. All of a sudden. My own life, the lives of others, of animals of plants, the whole world. It no longer fitted together.

~Erlend Loe

I have the strangest thoughts in my head, maybe I should not write them down.
