

# Eva LaRue

## Quotes

*Children, Thinking, Mom, Daughter, Mother, Baby, Opportunity, New York, Doe, Years, Work Ethic, Media, Going Away, Cities, Used, Constant, Recovery, Wish, Should, Compromise*

I think that if you start teaching about giving back and helping other people young, that will be a given for your child their whole life.

~Eva LaRue

Any mom who tells you that she does it effortlessly is not telling the truth.

~Eva LaRue

I know first-hand the challenges that come with being an on-the-go mom, and I am constantly looking for great products that fit into my busy schedule. I've tried every goop and elixir known to man.

~Eva LaRue

If your potential mate does not have the same perspective that you do then you're going to be lost.

~Eva LaRue

Charity should always be a constant.

~Eva LaRue

I love New York City for its energy. Pebble Beach, Carmel Beach and that all area, for its completely laid back energy. Paris for the charm, shopping and the glamour.

~Eva LaRue

I grew up at 'All My Children;' I got married, had a daughter and made life-long friends there!

~Eva LaRue

All My Children taught me a great work ethic; you work so hard on a soap opera! It is a good way to start in the business, get success without getting a big head and learn your craft.

~Eva LaRue

I don't watch a lot of TV. I am madly in love, I'm a big sap, I'm madly in love with Extreme Makeover Home Edition. I cry every week.

~Eva LaRue

When someone gradually leaves your life, that's one thing because you get used to the end of it. When somebody disappears, it takes all of your control away. It leaves you frantic.

~Eva LaRue

Emily Procter getting pregnant changed the show for me. I got so much more involved, which was so much fun! Now I feel like an action figure Barbie.

~Eva LaRue

Deep down I'm a lazy person in a constantly moving body.

~Eva LaRue

All My Children' taught me a great work ethic; you work so hard on a soap opera!

~Eva LaRue

If somebody has never been married, they don't know compromise.

~Eva LaRue
