Growing up in Vancouver, it's not like growing up in Middle America or the middle of Canada. It's a very movie town.

~Evan Goldberg

The thrill of doing visual effects doesn't exist.

~Evan Goldberg

Im not an Internet person that reads behind-the-scenes stuff. I see a trailer, and if it looks good, then I go. Thats that.

~Evan Goldberg

I actually barely ever go on the Internet.

~Evan Goldberg

There's a big song at the beginning [of Sausage Party], and that was really fun to do. It felt like we were living out a dream of being the South Park guys for a minute.

~Evan Goldberg

I'm a blue Powerade man myself.

~Evan Goldberg

Toy Story 1, 2, and 3, to us, are some of the greatest films ever made, and each is better than the one before it. But if you go to Toy Story 6, they all end up decomposing in a trash heap somewhere.

~Evan Goldberg

Everyone from Canada and from here contributed [to the Sausage Party] - it truly is, like, every market.

~Evan Goldberg

I get a sick joy out of bad reviews. I don't read good reviews.

~Evan Goldberg

I expect to get paid if I do something.

~Evan Goldberg

I cant wait for them to convert old movies to 3D. I am 100% confident I want them to convert Terminator 2 to 3D more than I want anything in the world.

~Evan Goldberg

I dont fully understand my wifes emotions - and Im supposed to write an excellent female character and unravel the secret of women?

~Evan Goldberg

I got Twitter like two months ago, checked it out a bit more, and I concluded the only thing Twitter I'm interested in following is Nick Stoller.
