

Evelyn Lauder Quotes

*Important, Hair, Color, Feels, Avid, Cancer, Skins, Country, Feel Good, Fighting,
Persons, Advice, Body, Modern, Nice, Reality, Importance, Healthy, Wall,
Degrees*

One of the most important things about looking youthful is to have a modern haircut.

~Evelyn Lauder

There is physical evidence of the body's response to doing good. Endorphins are released in the brain when you do something for someone else. Doing good really feels good.

~Evelyn Lauder

Of capital importance is to have a good diet and exercise a lot.

~Evelyn Lauder

Make-up is the last thing to enhance your beauty, but it's very important because it builds up your self-confidence and gives you more courage.

~Evelyn Lauder

I never leave the house without putting on my lipstick.

~Evelyn Lauder

My efforts to join the fight against breast cancer all began around the fact that women were getting short-changed in the medical arena.

~Evelyn Lauder

It's important to maintain an attractive smile as you age. A lighter, less beige, more white tooth color is key, but no Chiclets.

~Evelyn Lauder

The most helpful piece of advice that I could give to anybody is to select a charity, or create a charity, that you really feel passionate about and if you do, don't give up.

~Evelyn Lauder

I keep up with everything in terms of health, fitness, nutrition, skin care, hair, nails. Really, everything. I'm an avid reader of every women's

health newsletter from every hospital in the country.

~Evelyn Lauder

When I create an image that helps someone - even just myself - find peace, then I've attained my goal.

~Evelyn Lauder

Knowing how to age and not being afraid of aging is very healthy.

~Evelyn Lauder

It takes only five minutes to look nice before you go out.

~Evelyn Lauder

I've always been a person who is driven.

~Evelyn Lauder

I have as much pink as you can have. I love to see other women in pink. It's good for every shade of skin and hair.

~Evelyn Lauder

I feel it's important to make a mark somewhere.

~Evelyn Lauder

I believe in nonfat. I gain two pounds when I eat a lamb chop.

~Evelyn Lauder

I absorb the science section of 'The New York Times.' You know, I have a degree: I'm an A.A.D. Almost a Doctor.

~Evelyn Lauder
