Everyday sexual practices on college campuses need to be upended, and men need to feel a cold spike of fear when they begin a sexual encounter.

~Ezra Klein

The American political system is not good at trading sacrifice now to prevent crises later.

~Ezra Klein

We were badly held back not just by the technology, but by the culture of journalism.

~Ezra Klein

If you look at how the federal government spends our money, it's an insurance conglomerate protected by a large, standing army.

~Ezra Klein

We're actually just moving one type of deficit to another. But, the problem with this second type of deficit is that you drive on it and then it falls down.

~Ezra Klein

I don't trust this [american] government to be regulating corporations. I trust big business to be regulated [by itself] and to be a party to a decent solution.

~Ezra Klein

A government shutdown, it isn't the end of the world. It's a bad thing. The government stops working for a few days. We cover it a lot. Polls turn against who ever made it stop working.

~Ezra Klein

Even more fundamental than housing to the global financial economy is the idea that the U.S. government is a safe asset.
