I am very much in love with no one in particular.

~Ezra Miller

I'd like to make as much art as I possibly can before I die, so I'm working on a few things.

~Ezra Miller

There's no true value placed in learning, if the point of you learning something is to simply know it for a test, to get a grade, to go to the good school.

~Ezra Miller

Acting and making art is just something I love to do, and I love to tell stories that feel important, honest and necessary. It's not about me. It's about being part of something.

~Ezra Miller

Getting socially outcast can be the best and most informative thing that can ever happen to you because you have to learn who you are separate from the pack.

~Ezra Miller

It's an amazing thing to be able to fall into the world of your childhood fantasy.

~Ezra Miller

I feel like a sickness and dystrophy is growing in people, like people are getting sicker, something about our society, something about our psychological structures. We're not whole.

~Ezra Miller

If one took a role with the intention of, "I'll show them what I can do!," then it's not going to be good because the ego is going to just block everything.

~Ezra Miller

My goal beyond being an actor, is just being an open channel.

~Ezra Miller

I shop only at thrift stores and vintage stores. In New York, I like a place called Star Struck, and a place called The Family Jewels.

~Ezra Miller

I always was very interested in intellect and the massive world of knowledge out there, but in terms of being a kid who wanted to be treated as an equal, school is not the place.

~Ezra Miller

I'm super-popular, so I had to pretend to be a loser, which was super-hard.

~Ezra Miller

I feel that all revolutionary causes should start with addressing misogyny.

~Ezra Miller

Friends that I value most are people who would essentially use physical violence against me at a time when I seem to be teetering on the edge.

~Ezra Miller

I think everybody's crazy, and if I'm the one being a little direct about it, that's fine by me.

~Ezra Miller

The No. 1 thing the people I have spent time with in my life have done for fun is playing music.

~Ezra Miller

My personal opinion is that truth, like honesty and non-harmfulness, often are at odds with one another.

~Ezra Miller

I think I enjoy playing human beings no matter the substance of their character.

~Ezra Miller

Life is a grand party.

~Ezra Miller

I have a lot of really wonderful friends who are of very different sexes and genders.

~Ezra Miller

I've fallen prey to my fair share of moments of the phobias of others and the way that that can become an attack.

~Ezra Miller

The most important thing is actually raising up children with a true and lasting burning sense of curiosity. I don't even know how they do it. Good parents are a marvel.

~Ezra Miller

I don't feel like there's any need to hide the fact that I smoke pot. It's a harmless herbal substance that increases sensory appreciation.

~Ezra Miller

I'm from the dirty depths of New Jersey.

~Ezra Miller

I'm super down with being irresponsible. I'm just trying to make sure my lack of responsibility no longer hurts people.

~Ezra Miller

Sometimes it'll happen to people, that their self will stop coming through. And people will just cease to understand them.

~Ezra Miller

Getting lost in human perception is a very scary idea.

~Ezra Miller

I was a weird animal in high school, doing no work and getting straight A's.

~Ezra Miller

Family is this very deep, complex thing that for most people becomes everything. It informs your entire life.

~Ezra Miller

I don't need my sexuality celebrated, and I certainly don't need it to be criticized. I didn't necessarily want it to be observed, but here we are.

~Ezra Miller

The token gay character is always so funny and so fantastic. That's happened a lot. Or they're often purely victims.

~Ezra Miller

When you birth a child, it's like a bloody giving of self to the creation of a life.

~Ezra Miller

The Wizard of Oz' is my favorite movie. It was the first movie I can ever remember watching.

~Ezra Miller

I was a cocky kid, and I felt like I was an adult at, like, 9. I think that's because my parents always treated me as an adult.
