If you're in the best team in the world, you or your teammate have to win.

~Fernando Alonso

Ferrari gives you a special feeling.

~Fernando Alonso

I don't have any relationship with God and I've never wanted it. I don't believe in fate or in any superior entity; if a plane crashes and people die, it's not because Heaven said so.

~Fernando Alonso

My parents are responsible for the two things I like doing most - driving and magic tricks. They bought me my first go-kart and a magician's kit.

~Fernando Alonso

I look at myself as someone who has been very lucky - my job is also what I enjoy most in the world, and I can make my life doing it.

~Fernando Alonso

I like to race, not to do laps alone.

~Fernando Alonso

The race is lost. You can't overtake here and I'm starting from 15th... It's over already.

~Fernando Alonso

I have always been very calm on the outside.

~Fernando Alonso

Totally uneventful. It was a very successful first flight. To be honest, it was a little bit boring.

~Fernando Alonso

For me, it was not destiny to make it to where I am now - I thought for a long- time I would become a go-kart mechanic, or a job like this, not an F1 driver.

~Fernando Alonso

When I race in Australia or Korea or Japan I know it will be a big change for me because Ferrari fans are worldwide.

~Fernando Alonso

I thought I would be a go-kart mechanic - not an F1 driver

~Fernando Alonso

This is a fantastic fight for the championship. I'm really confident and believe we can do it.

~Fernando Alonso

I will be going to Belgium to win -- and we will see how the weekend develops from there.

~Fernando Alonso

I like America, and I think probably the American people like me.

~Fernando Alonso

It was a bit of a surprise for us that we had problems in Hungary. But in reality, I think the car could have been pretty competitive with a trouble-free race.

~Fernando Alonso

In Spain there were no TV rights for Formula One.
