## Quotes

*People, Thinking, World, Expression, Want, Half, Loyalty, Urban, Kissing, Way,  
Inspired, Self, Good Person, Forever, Simple, Believe, Ballet, Who You Are,  
New York, Black*

The idea's the idea: It's about what you do, and not who you are.

~FKA twigs

I do have traditional values: I believe in being a good person and being polite.

~FKA twigs

I hope to do a visual for every "single thing, even if it's as small as a gif or as big as a whole dance music film.

~FKA twigs

I don't know if I'm a tortured soul, but I was born heartbroken. I remember feeling it when I was so young. " I was like, "Mum, it hurts."

~FKA twigs

I've been inspired by people's work, but I never grew up with posters on my bedroom wall or obsessed with one person.

~FKA twigs

I just try to keep my dignity and carry on with my day.

~FKA twigs

I'm a little bit older, I've traveled the world, spent lots of time in New York and Paris and lots of inspiring places, and I still feel alien.

~FKA twigs

I don't understand people's obsessions.

~FKA twigs

We live in a very strange world where everything is so accessible; if you like one song someone did, you can see what they ate for breakfast or what kind of sunglasses they wore.

~FKA twigs

I really keep my life very simple.

~FKA twigs

I don't think it's realistic for someone to have an undying loyalty to everything you ever make.

~FKA twigs

If I want to dress myself a certain way, I don't want to have to rely on someone else to do it for me.

~FKA twigs

I think 'fan' implies somebody who's submissive, sycophantic, in awe of everything you're doing.

~FKA twigs

I have amazing collaborators as well, but I want to learn more and be a self-contained unit.

~FKA twigs

I've lived in the same place in London for the last seven years, I go and get my shopping, I get on buses, and [all the rest] is pretty much outside of who I am.

~FKA twigs

When I was very young I wanted to be an opera singer, a ballet dancer... The people I loved were a little different.

~FKA twigs
