I just understand that Im supposed to be one of those people that disrupts the flavor a little bit.

~Flying Lotus

I feel some responsibility to shine light on things that I love.

~Flying Lotus

I just like to be dangerous with what I try to do.

~Flying Lotus

I'm not the kind of person who's always out at the club if I don't have to be. I like chilling. I think that comes across in my music.

~Flying Lotus

Communicating with musicians is really interesting because everyone has their quirks and their strengths and their weaknesses.

~Flying Lotus

Here's the thing: if I want to do something, I just have to do it - for real! I'm not gonna pussy out in the moment. I don't want no holding back!

~Flying Lotus

I can't work without a Good L.A. weed. That's the thing you miss the most.

~Flying Lotus
