One thing I have learned in my time in politics is that if one of the parties is shameless, the other party cannot afford to be spineless.

~Frank Lautenberg

The President should spend his time going after the terrorists rather than sharing sensitive counter terrorism information with countries that sponsor terrorism.

~Frank Lautenberg

Anybody who has ever been in business, anybody who has ever paid bills, anybody who has ever lived in a serious adult life knows that indebtedness is a killer.

~Frank Lautenberg

I ask the vice president to stop dodging the issue with legalese, and acknowledge his continued ties with Halliburton to the American people.

~Frank Lautenberg

People at .08 are too impaired to drive. Studies show that at .08, the ability to perform critical driving functions is decreased by as much as 60 percent.

~Frank Lautenberg

Municipal networks expand economic opportunities. We've got to open new doors, not slam them shut.

~Frank Lautenberg

Our mandate is to be a nation of laws. And the Supreme Court is the place where we look to safeguard our civil rights and our individual liberties.

~Frank Lautenberg

Having members of the Bush administration actually sit down and

discuss counter terrorism with the very countries that support terrorists is absurd.

~Frank Lautenberg

The ocean is tired. It's throwing back at us what we're throwing in there.

~Frank Lautenberg

I'm convinced that our duty to provide advice and consent for justices of the Supreme Court is our most important constitutional responsibility.

~Frank Lautenberg

I had hoped to hear the President tonight tell the Congress and the American people exactly how he plans to tackle some of the important issues facing this country, unfortunately I did not.

~Frank Lautenberg

I believe that justices must recognize that our Constitution is an 18th-century document that needs to be applied in the context of the 21st century.

~Frank Lautenberg

So the effect of this Republican provision to allow doctors to be gagged from even discussing abortion with their patients is outrageous.

~Frank Lautenberg

We depend on the Supreme Court to uphold the integrity of our government.

~Frank Lautenberg

We have other legislation that all of you are aware that I have been so active on, with my colleagues here, and that is to shut down the gun shows.

~Frank Lautenberg

Judge Samuel Alito's accomplishments in life are the embodiment of the American dream.
