

Frank Schaeffer Quotes

*Thinking, Christian, People, Men, Jesus, Talking, Nice, Way, Point Of View,
Redneck, Sound, Passion, Transition, Reality, America, Writing, Horse, Certain,
Love, Parent*

North Korea and evangelical empires have the same principle of leadership: nepotism to the nth degree. You may not get the call, but you inherit the mailing list.

~Frank Schaeffer

People are not as one-dimensional as the stories about them.

~Frank Schaeffer

We don't just change our minds, we change the way we see things. That's one reason I'm a better grandfather than I was a father.

~Frank Schaeffer

There is nothing more profane than the image of an atheist with tears in his eyes conducting the glory and passion of Handel's Messiah.

~Frank Schaeffer

Evangelical Christians are not sincere. It is all about making money.

~Frank Schaeffer

Of course as soon as I say something or write it that sounds like I believe it, and really I'm never entirely sure.

~Frank Schaeffer

I do think evangelicals have been under attack.

~Frank Schaeffer

You Republicans are the arsonists who burned down our national home. Now you have the nerve to criticize the 'architect' America just hired - President Obama - to rebuild from the ashes.

~Frank Schaeffer

We are not evolved but evolving.

~Frank Schaeffer

Laws of nature don't know they are "fixed." That's a human pattern seeking description that comes out of our need to survive. It isn't an objective description of anything.

~Frank Schaeffer

I'm less certain now but kinder.

~Frank Schaeffer

We are always in transition.

~Frank Schaeffer

We have no outside point of view. We are nature too.

~Frank Schaeffer

Donald Trump is not a very bright or nice man. Bad combination.

~Frank Schaeffer

I don't think anyone sees truth for a simple reason: we aren't static.

~Frank Schaeffer

Beliefs should be like the rest of life, and real life isn't rules but learning and adaption.

~Frank Schaeffer

Positions on politics and religion are labels. Inside I'm still me, just older and tired.

~Frank Schaeffer

Science "says" nothing. People say things and knowledge changes.

~Frank Schaeffer

I just think the way (for instance) evangelicals talk about God or Jesus, as in "Jesus says" or "the Bible says" points up a lack of honesty.

~Frank Schaeffer

The way even movements change is stunning: Chinese communist capitalists? Evangelicals deciding to be nice to gay people?

~Frank Schaeffer
