Curiosity pulls people into the scam.

~Frank Stallone

Recording an album and doing it live are like two different animals. There are some people that are great singers live, horrible in the studio.

~Frank Stallone

If you hear Bing Crosby trying to swing, it doesn't work. He swings like a rusty gate.

~Frank Stallone

If you get married, you become vulnerable.

~Frank Stallone

I think Donald Trump is gonna do great. Because I've worked with him and known him a long time. He's a guy who is not programmed to fail.

~Frank Stallone

I hate to say Napster kind of killed our business, but what can I tell ya?

~Frank Stallone

No one sells records anymore. It's all about touring. It's all greatest hits records and box sets. And even those don't sell. People just go online.

~Frank Stallone

I don't really play overseas stuff. I'm a bit of a dinosaur in that way. You gonna improve on a Les Paul or Fender Stratocaster? Those are perfect designs, and there is nothing to add really.

~Frank Stallone

I've been a musician for 52 years professionally. I do it because, for me, I love it.

~Frank Stallone

Donald Trump is a guy that's gets stuff done. If he says he's gonna do something, he does it. He doesn't worry about it. He's got thick skin. He's gonna do it. He's gonna bring jobs back.

~Frank Stallone

Donald Trump is an "America first" guy. He said, "We protect everyone else's borders but our own."

~Frank Stallone

When the country prospers, everyone does. In music and in everything.
