House Music isn't black or white. It just is. It feels good & it feels right.

~Frankie Knuckles

The minute you think you're greater than the music, you're finished

~Frankie Knuckles

I think dancing is one of the best things anyone can do for themselves. And it doesn't cost anything.

~Frankie Knuckles

When you create something out of nothing it's the most thrilling thing.

~Frankie Knuckles

I'm always looking for just the right song that has something to say.

~Frankie Knuckles

Timing is everything. It is not so much about who you know, especially now with the Internet, because anybody can become a superstar overnight.

~Frankie Knuckles

I learned to trust women's ears when it comes to hearing music a lot more than other men.

~Frankie Knuckles

I am definitely in the right place doing the right thing. These are the rewards.

~Frankie Knuckles

The music is everything to me.

~Frankie Knuckles

I refused to be disrespected. So, at 16, of course, I was a gentleman

about it, but I told them and it cost me my job.

~Frankie Knuckles

I think women's ears are a lot more sensitive. Men are going to follow whatever appeals to women.

~Frankie Knuckles

There are two people that probably influenced me more than anybody out of all the artists out here: that's Nick Ashford and Valerie Simpson.

~Frankie Knuckles

I'm of the mind that your private life is private and you don't need to put everything out there about yourself - but on there, I describe myself as a citizen of the world, a man of music.

~Frankie Knuckles

I believe it also says that I am a friend to everyone and enemy to no one.

~Frankie Knuckles

It's not easy staying relevant in the marketplace.
