President Obama insists hes a free-market guy. But you have to wonder whether he understands how a free economy really works.

~Fred Barnes

Ronald Reagan has a story for every occasion. Bill Clinton has an excuse for every occasion.

~Fred Barnes

The only person who was a strong public opponent of the war in Iraq is Barack Obama. The other people weren't. So I can understand why all the left is mad, because they're being shut out.

~Fred Barnes

The American people are not as casualty-sensitive as the weenies in the American press are.

~Fred Barnes

The most important quality any piece of writing can have is doneness.

~Fred Barnes

Religion's crucial role in the lives of many people... is rejected out of hand by the political community, especially the press.
