I have two young children with autism. What could they have ever done to deserve that? What kind of a God allows the innocent to suffer? It's a mystery. Yet still, I believe in God.

~Fred Melamed

I am tolerably ignorant about Judaism, and much of what I do know about it seems hard to swallow, because it is so grounded in legalism, and adherence to rituals.

~Fred Melamed

It probably goes without saying that I enjoy the potato pancakes, delicious hams and so forth that maddeningly turn up at this time of year.

~Fred Melamed

We must agree to live in this world, with all that is unfair about it, without knowing why, if we wish to have a God in our lives.

~Fred Melamed

Well, because I have twin seven-year-old boys, I enjoy the gift giving stuff a great deal. We do both Hanukkah and Christmas, so it is a costly, though extremely pleasing proposition.

~Fred Melamed

It's funny, but three of my early films were with Liam Neeson, before Liam Neeson was a big star.

~Fred Melamed

I'd always admired Diane Keaton, but I'd never met her.

~Fred Melamed

I've always thought that, in a sense, the more specific and sometimes even the smaller the world of a movie is, the more universal it is.

~Fred Melamed

In general, I'm always interested in characters who have kind of extreme aspects to them, who are in some ways larger than typical people.

~Fred Melamed

I always did plays in school because I thought it was fun, but it just never occurred to me as a thing to do.

~Fred Melamed

The word "hedonistic" to me means pleasure above all else. My pleasure above all else.

~Fred Melamed

I haven't appeared on stage in quite a long time and I don't have any immediate plans to do so, but I'm always interested in going back.

~Fred Melamed

I have a secret aspiration to be considered for a part where it doesn't matter what you look like to play it.
