Other acting opportunities had come along, but nothing that was tantalizing enough to me to step away from what I found most interesting.

~Fred Savage

I'd like to work with any actress from whom I can learn-one who has had many experiences with many directors and is willing to share some of her knowledge with me.

~Fred Savage

Maybe part of loving is learning to let go.

~Fred Savage

It's hard to sleep at night because I'm still wondering where my mother is.

~Fred Savage

I was never an ingénue at any point in my career. I was hoping that whatever I was bringing to the table, it wasn't some physical attribute that would change or fade over time.

~Fred Savage

Children leave. And parents stay behind. Still, some things are deeper than time and distance. And your father will always be your father. And he will always leave a light on for you.

~Fred Savage

I love to unwind and watch movies, especially those from the classic black-and-white era.

~Fred Savage

It is unfortunate that the poor judgment shown by a small group of young actors has tarnished the reputation of every child who has ever appeared before a camera.

~Fred Savage

The only thing that frightens me a little is when I'm called Kevin rather than Fred, but that's how people have known me for so many years. So, I can't really blame them.

~Fred Savage

I think it is important to maintain a sense of self and confidence, not letting either falter for the sake of a particular part or project, no matter how great it might be.

~Fred Savage

I promised to always bring up a glass of water to her before we go to bed, and she promised to never let me dress myself.

~Fred Savage

I'd like to see myself married with a child and hopefully still involved in the entertainment business as an actor who is also able to write a bit and direct some projects.

~Fred Savage

I think Kellie Martin, Reese Witherspoon and Claire Danes represent the future for women in film, and I would be honored to share the stage with any one of them.

~Fred Savage

As a consumer of entertainment, as a director, I'm always interested in questions of identity and who someone is and how they're perceived and who they are versus who they thought they'd be.

~Fred Savage

I think we all have a little dark side we keep under wraps.

~Fred Savage

I knew I wanted to direct since I was a kid. That was something I was always fascinated by and wanted to experience and see if I would be any good at it.

~Fred Savage

The term papers make me more crazy, because they involve more variables I cannot directly control! With acting, I feel more power-like I'm making all the choices.
