I have a younger brother.

~Freddie Highmore

I like all sorts of chocolate. Milk chocolate, dark chocolate, anything.

~Freddie Highmore

When you're happy you don't always have to be laughing, and when you're sad you don't have to be crying; sometimes it's the opposite. You laugh when you're the most upset.

~Freddie Highmore

I always try doing a different character for every film so it's not just changing one.

~Freddie Highmore

Also "Catcher in the Rye", which happens to be one of my favorite books, I just found that kind of useful. It helps you get into the American accent.

~Freddie Highmore

People build up a picture of Johnny Depp as being some sort of weird pirate character. In reality he's incredibly nice... one of the nicest people I've ever met.

~Freddie Highmore

Today the sort of thing for a guy in England growing up is that you have to suppress all your emotions. It's almost like you have to sit back and be cool.

~Freddie Highmore

Scary is good. Kids like going to a movie and being really scared rather than fake scared.

~Freddie Highmore

We live alone, we die alone. Everything else is just an illusion.

~Freddie Highmore

For every different role you play it's nice to have different challenges for each one.

~Freddie Highmore

It's very nice having my mum as my agent. You know that she's always doing what's best for you.

~Freddie Highmore

I like hot weather. I think it might be a bit better if England was a bit hotter.

~Freddie Highmore

I guess I'm just a normal kid apart from the acting.

~Freddie Highmore

I'm not a sad person, upset the whole time, but I seem to be quite emotional.

~Freddie Highmore

I guess you wouldn't dare to dream that you would get to the end of five years.

~Freddie Highmore

I like to go to bed early so I can get up early.

~Freddie Highmore

It was great to do August Rush and have all the challenges of playing that character, especially the American accent for the first time and also playing the guitar and the conducting I had to do.

~Freddie Highmore

I had been practicing guitar about six months beforehand; I concentrated mostly on the songs I had to play. I got those down pretty well so they could use me actually playing.

~Freddie Highmore

I've got a good family to support me, so I'm grounded in that way.

~Freddie Highmore

I'm pretty rubbish, as we say in Britain, artwise, and I always envy people who can pick up something and even do just a little doodle of someone that looks vaguely like them. It's impressive.

~Freddie Highmore

There's never been a particular band that I've followed religiously. But I do tend to listen to sadder music.

~Freddie Highmore

Johnny Depp is probably the best actor.

~Freddie Highmore

Don't get too set on becoming an actor at an early age. I think that's where some people get into trouble. Acting becomes their life. I don't want that.

~Freddie Highmore

I never really acted at school. It was doing small parts on TV that really got me started.

~Freddie Highmore

I've never been a great cook.

~Freddie Highmore

Every day is a different day in New York; there's always something new going on.

~Freddie Highmore

Cinema Paradiso' is a fantastic film, I love that.

~Freddie Highmore

I'm sure everyone has many types of music that they enjoy.

~Freddie Highmore

I think a lot of the time having someone who you, not base yourself on, but can see yourself being after a few years, you can get quite blinded by that, in the same way love can be.
