

# French Montana Quotes

*People, Rapper, School, Morocco, Want, Writing, Son, Gains, Causes, Mouths,  
Worry, Heritage, Challenges, Math, Stuff I Like, Sacrifice, Soccer, Hats, Lions,  
Bottles*

In school, my favorite subject was math. That's where I learned to count money.

~French Montana

Never worry about what you're going lose but what you're going gain

~French Montana

At the end of the day, you got to learn from people that been through what you been through; they help you learn from your mistakes.

~French Montana

You can't expect to make all this money and not go through problems. You can't expect God to give you everything you want without taking something away.

~French Montana

Potty mouth, rock star, at the top and still tryna climb, Drop the top sit back recline

~French Montana

A lot of people like to downgrade Morocco and Africa like its all jungles and lions and sh\*t. The actual truth is a lot of stuff is going on out there.

~French Montana

All the lyrical rappers I know is broke.

~French Montana

I like colorful stuff. I like wearing stuff that nobody is wearing. That's why I wear the bear hat. I'll wear the whole mink.

~French Montana

I was born in Morocco and lived there until I was 13; I'm really proud of my heritage.

~French Montana

I like a lot of artists but I think the one that touched me the most was probably Tupac, coming up. Cause that was my generation, so Tupac was mine.

~French Montana

My dream pet? I like a couple of them, man: monkey, I love dogs. See, tigers, I don't know - I can't be playing with something like that. A monkey, I can handle it. A dog, yeah; I would get a monkey.

~French Montana

Whatever rappers wear is cool to people.

~French Montana

I've tried every kind of bottled water, but Poland Spring is my go-to. I always have room-temperature bottles of it on side of stage for post-performance.

~French Montana

I used to play soccer when I was in Morocco, but I was more of a basketball player. I played high school basketball, I played AAU basketball.

~French Montana
